Shakespeare's Sonnets: The Complete Collection (Volumes 1-5)

Collection Of Sonnets

**Christina Soto van der Plas, Lacie Rae
Buckwalter Cunningham**

Collection Of Sonnets:

Some Sonnets John Mullin,2016-07-10 A sonnet well crafted and well written is fourteen lines of beauty and sheer unadulterated power While to write one and instinctively know you have nailed it is nothing less than bliss be it ecstasy for the creator who is led to compose this classical form of poetic expression Furthermore it would often seem that the first eight lines octave must set the stage for the remaining six sestet where the plot is revealed in such a way as to surpass the original thought behind it As if the final outcome overwhelms the initial intent through the revelation of something quite intangible beyond the capability of the conscious mind greatly limited in obscure arcane and esoteric matters as indeed it is A sonnet classically constructed should appear in one of the two forms faithfully followed over the centuries The Shakespearean or English version allows for a somewhat simpler rhyming pattern than the Petrarchan or Italian sonnet which requires a four line rhyme not once but twice in those first eight lines What sounds a bit complicated is really quite simple from a practical point of view and thus on this subject we will say no more It is in the reading which even now awaits rather than the writing which by now is done that leads the poet s mind to wonder if that same bliss or ecstasy will strike the reader as it struck the writer Perhaps it s just a few or God forbid but one which plucks a secret string stirs some hidden cherished chord long buried in that deepest recess of the heart where all things bitter sweet most surely lie We have chosen 110 sonnets in total 50 earlier works and 60 later to fill this collection No magic formulae were applied but good numbers they seemed to be at least to begin with If you should like them at least some sonnets we can put together some more sonnets at a later date another place in time for your purest reading pleasure

Bare & Unfiltered Kavya Shah,2021-09-04 This is a collection of sonnets exploring the emotions and aspirations felt by people at several stages in life Self liberating poems in this book explore ambitions inhibitions creations and torn news of salvations from sonnet 37 Structured as rigid fourteen line poems these stimulating and soulful poetic lines through the perceptive of a young mind will make you retreat inwards and find solace with just being yourself

The Sonnets of Thomas Pringle Patrick Lenahan,2023-07-17 When the Scottish poet Thomas Pringle emigrated to the Cape Colony in 1820 he voyaged also into a new creative life and an art responsive to his colonial home sterner verse for darker scenes Accompanying him to the Cape the sonnet became his most consistent choice for capturing his experiences and convictions his personal crises and the greater trauma of colonial appropriation and racial oppression In this study his unique contribution to the Romantic era sonnet is for the first time given its full due through readings that are as attentive to form and formal agency as to the cultural social and historical conditions in which they are enmeshed Moving beyond colonial theory to consider issues of literary migration this illuminating work shows how Pringle effectively opened up a radical conversation between the habitual modes of perception and response of British Romanticism and his new southern world
