**How to Run a College** Brian C. Mitchell, W. Joseph King, 2018-01-15 How can colleges stay relevant in the twenty first century Residential colleges are the foundation on which US higher education is based These institutions possess storied traditions fondly cherished by students alumni and faculty There is no denying however that all colleges today struggle with changing consumer preferences high sticker prices and aging infrastructure Technological and pedagogical alternatives not to mention growing political pressure present complex challenges What can colleges and smaller universities do to stay relevant in today s educational and economic climate In their concise guide How to Run a College Brian C Mitchell and W Joseph King analyze how colleges operate Widely experienced as trustees administrators and faculty they understand that colleges must update their practices monetize their assets and focus on core educational strategies in order to build strong institutions Mitchell and King offer a frank yet optimistic vision for how colleges can change without losing their fundamental strengths To survive and become sustainable they must be centers of dynamic learning as well as economic engines able to power regional state and national economies Rejecting the notion that American colleges are holdovers from a bygone time How to Run a College shows instead that they are centers of experimentation and innovation that heavily influence higher education not only in the United States but also worldwide

Off to College Roger H. Martin, 2015-08-04 For many parents sending their child off to college can be a disconcerting leap After years spent helping with homework attending parent teacher conferences and catching up after school college life represents a world of unknowns What really happens during that transitional first year of college And what can parents do to strike the right balance between providing support and fostering independence With Off to College Roger H Martin helps parents understand this important period of transition by providing the perfect tour of the first year on today s campus Martin a twenty year college president and former Harvard dean spent a year visiting five very different colleges and universities across the United States public and private large and small elite and non elite to get an insider s view of modern college life He observes an advising session as a student sorts out her schedule unravels the mysteries of roommate assignments with a residence life director and patrols campus with a safety officer on a rowdy Saturday night He gets pointers in freshman English and tips on athletics and physical fitness from coaches He talks with financial aid officers and health service providers And he listens to the voices of the first year students themselves

Martin packs Off to College with the insights and advice he gained and bolsters them with data from a wide variety of sources to deliver a unique and personal view of the current student experience The first year is not just the beginning of a student s college education but also the first big step in becoming an adult Off to College will help parents understand what to expect whether they re new to the college experience or reconciling modern campus life with memories of their own college days
