*Breaking the Chains* Mattie M. Nottage, 2007 To everything there is a season and a time to every purpose under the heaven Eccl 3 1 As a believer you must know when to worship and when it is time to warfare Remember the weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds Your worship is one such weapon You will agree that there is a time in your life when you must transition from worship to Warfare Your worship can be considered one of the pre requisites to gaining access and favor into the King s presence The greater the intensity of your worship the more he empowers you the believer to defeat the enemy and overcome every obstacle in your life

**Breaking The Chains Of Darkness** Tella Olayeri, 2021-10-06 Life is a series of peaks and valleys Sometimes you are up sometimes you are down Situations are not permanent It is in the difficult times we face reality of life either to sink or flow Battle of life is not fun fare it is warfare You don t wait for your destiny to be delivered to you You must wrestle your destiny out of the hands of the enemy Chain of darkness gradually kills destiny and reduces you to a pauper You must therefore come to the point of desperation where a change must occur Your destiny is not just glorious it is precious This is what enemies know that make them attack you and put you in chain Today the chain is broken Chains of darkness must be broken Sometimes life seems like too hot to handle jobs are lost relationships break people die financial troubles loom famines are experienced poverty and stagnancy are recorded bad health take over homes bareness affects homes while spirit of backwardness take tolls of lives Witchcraft chains that scatter hope bind souls to one spot The evil chain behind it is what this book is all about No one is free from satanic opposition God created us for glory but Satan marks us for destruction You must be violent in prayer before you can achieve great things of life There is no free lunch anywhere You must wrestle for freedom Something has to be done to turn your captivity around Every oppression has an end This is the reason this book is written To break every manner of chain enemy used to captivate destiny It is fatal to be in chain Enemies are cruel They want you to be in chain till eternity It is you that must be violent against their decision to keep you stagnant and be a failure There is no man that is free from this battle There is no one that is not being attacked by the enemy You are not free neither from evil chain Every chain of darkness designed for you shall break to pieces by fire This book teaches you how to pray Nobody can pray for you like yourself Every man shall bear his burden This book is loaded with violent prayers to achieve the following

- 1 Every chain of darkness against your success shall break
- 2 Powers of darkness shall bow and back out
- 3 You shall be a prayer War Lord that destroys works of darkness
- 4 Your foundation shall be healed and experience breakthrough
- 5 Blood of Jesus shall cancel every mark of darkness in your life
- 6 Deep problems are solved yokes are broken
- 7 The light of God shall shine upon you
- 8 Every closed door against your success shall break open
- 9 Mountains are levelled barriers broken
- 10 You shall experience sudden deliverance from the hands of darkness
- 11 Every manner of frustration and confusion shall expire
- 12 At last you shall dance your dance and sing songs of praises to the Lord

**Breaking the Chains: Reclaiming Freedom in the Modern**

**Psyche and Society** Peter Rundev, In *Breaking the Chains Reclaiming Freedom in the Modern Psyche and Society* Peter Rundev presents a powerful and timely critique of modern life arguing that our societal psychological and economic structures often mistaken for freedom are in fact a new form of captivity Drawing on an interdisciplinary approach that combines insights from Jungian psychology neuroscience economics and his unique background as an Eastern Orthodox iconographer Rundev exposes the invisible chains that silently shape our thoughts and actions He challenges the reader to look at how systems like the traditional education model and cultural narratives about masculinity contribute to a sense of purposelessness and passivity This book is a call to action offering a path to personal and societal liberation Rundev proposes that true freedom is not found in external change but through an internal journey of self awareness and intentional action He outlines a vision for a new utopia built on a conscious re evaluation of our values and a cultivation of empathy and foresight *Breaking the Chains* is for anyone who feels a disconnect in modern society and seeks to understand the root causes of their unease It s an essential read for those ready to confront their own unseen limitations and embark on a journey to reclaim authentic freedom
