Mouse,2018-10-03 This volume contains 24 tales collected in and around Wales by P H Emerson whilst living in Anglesea during the winter 1891 2 With the exception of the French story they were written as they were told to the collector In most cases he amended them as little as possible preferring to record the stories as told staying true to the original so that the written story would enchant readers as though it were being presented by the storyteller Herein you will find stories like the Legend Of Gelert The Fairies Of Caragonan The Craig Y Don Blacksmith Old Gwilym The Baby Farmer The Old Man And The Fairies and many more Like most pre 1900 societies storytelling mythology and history was an oral tradition and passed on in the same way by specialists such as storytellers or druids Why do we call such a collection Fairy Tales Well when last did you hear a child say One more folk tale please or Another nursery tale please grandma Fairy tales
