Chinas Examination Hell:

China's examination hell Ichisada Miyazaki, Conrad Schirokauer, 1976 **China's examination hell Kakyo, Chugoku no Shiken Jigoku, engl. The civil service examinations of Imperial China**, 1976 **The Examination Culture in Imperial China** Liu Haifeng, 2018-01-01 This book studies the Chinese imperial examination from a variety of perspectives The imperial examination was the literary civil service exam in ancient China yet it embodied properties of educational exams The first section of this book opens with the centennial anniversary of the abolition of the examination system where the injustice done to the imperial examination system is discussed The second section discusses the inception of the imperial examination concentrating on the research of the start of the imperial examination in Sui and Tang dynasty The achievements and defects of the imperial examination system constitute the third part of the book The fourth section looks into the influence of the imperial examination culture It discusses the influence of the imperial examination system on Chinese culture the remnants of the system in modern China with a focus on the system's spread to western and eastern countries In addition theories on the formation of the east Asian imperial examination cultural circle and the system's spread to western countries are discussed This book is an authoritative thorough and comprehensive study of the Chinese imperial examination system It will be required reading for those who wish to understand Chinese culture especially ancient China's education and examination system Subject Chinese Studies Sociology Education **A Newspaper for China?** Barbara Mittler, 2020-03-23 In 1872 in the treaty port of Shanghai British merchant Ernest Major founded one of the longest lived and most successful of modern Chinese language newspapers the Shenbao His publication quickly became a leading newspaper in China and won praise as a department store of news a forum for intellectual discussion and moral challenge and an independent mouthpiece of the public voice Located in the International Settlement of Shanghai it was free of government regulation Paradoxically in a country where the government monopolized the public sphere it became one of the world's most independent newspapers As a private venture the Shenbao was free of the ideologies that constrained missionary papers published in China during the nineteenth century But it also lacked the subsidies that allowed these papers to survive without a large readership As a purely commercial venture the foreign managed Shenbao depended on the acceptance of educated Chinese who would write for it read it and buy it This book sets out to analyze how the managers of the Shenbao made their alien product acceptable to Chinese readers and how foreign style newspapers became alternative modes of communication acknowledged as a powerful part of the Chinese public sphere within a few years In short it describes how the foreign Shenbao became a newspaper for China [The Eclipse of Classical Thought in China and The West](#) James Gordley, 2022-06-09 For centuries the starting points for serious thought about ethics justice and government were traditions founded in China by Confucius and in the West by his near contemporary Socrates In both classical traditions norms were based on human nature to contravene these norms was to deny part of one's humanity The Chinese and Western

philosophical traditions have often been regarded as mutually unintelligible This book shows that the differences can only be understood by examining where they converge It describes the role of these traditions in two political achievements the formation of the constitutions of Song dynasty China and the American Republic Both traditions went into eclipse for similar reasons but with quite different consequences in China the growth of absolutism and in the West the inability of modern political and ethical thought to defend the most fundamental values
