**Companion Proceedings of 7th South Asia Design Research International Conference 2019 "Improving Professionalism and Reflective Thinking through Design Research"** Brigida Intan Printina, Edwar, Fitriani A., Muhammad Ilyas, & Nisraeni, ... [et al.], 2024-03-31 It is an honor and privilege to welcome you to the 7th South East Asia Design Research International Conference The conference's theme Improving Professionalism and Reflective Thinking through Design Research invites us to reflect on the current educational challenges e.g globalization and

industrial revolution 4.0 and transform them into opportunities through design research. It acknowledges the need to develop our professionalism so that we can proactively contribute to the advancement of educational science and praxis. It challenges us to rethinking the design research as a method to make learning and teaching innovation possible but also as a paradigm in building our capacity for innovation. Yogyakarta is an artsy and historical city which serves as a fitting cultural, social, political, and economic milieu for the conference. The tagline *Jogja Istimewa* itself shows how the city has special values to be explored and experienced and we encourage you to absorb the city's abundance. The Kraton, the cultural and political heart of the city, Fort Vredenburg, Museum Malioboro, road Dipowisata, urban tourism, to name a few. The perfect ambience of Yogyakarta will provide us with a convenient space to interact and exchange ideas with colleagues as a means of professional learning. Our goal is for you to get new ideas, tools, and materials from the conference which will contribute to your professional development. The variety of sessions, workshops, and social events will give you opportunities to connect with friends and colleagues to expand your networks. We are excited about the keynote and invited speakers. We believe they will share challenging and innovative ideas about education. This conference is the result of the hard work, support, and dedication of a number of parties. We wish to thank all the committee members who together make the conference possible. The committee has been working throughout the year to propose sessions, review a record number of submissions, answer queries, arrange the schedule, and respond to last-minute requests. We also want to thank Sanata Dharma University, Ministry of Research, Technology, and Higher Education of Indonesia, Sogang University, and SEAMEO QITEP in Mathematics for their contribution to funding the conference.

*Hot Skills* Steffen Saifer, 2018. This book helps teachers develop young learners' higher-order thinking skills (HOT Skills) which are key for success in school and life. Promoting higher-order thinking and doing it effectively has a positive impact on achievement for all learners.

**Integrating Technology for Meaningful Learning** Mark Grabe, 2002-11. Integrating Technology for Meaningful Learning provides a unique, non-threatening approach to technology. It includes an abundance of authentic student projects and provides K-12 classroom teachers with essential information on how to use technology as an everyday tool. The Third Edition focuses on emergent technology information and strengthens its hallmark focus on cognitive learning. New coverage includes updated information on the Internet, voice recognition technology, Internet 2, and the use of digital cameras for video projects. Coverage of standards such as ISTE and AECT gives teachers basic understanding of what standards are and how they will impact teaching.
