The Blue Angel (Der Blaue Engel) S.S. Prawer,2019-07-25 This comprehensive study reconstructs the production history of The Blue Angel 1930 showing how director Josef von Sternberg s virtuoso visual style was amply supported by an immensely talented team of actors and technicians It also analyzes the film s aesthetics and shows how the grave political situation in Germany reverberated in its seemingly airtight world One of the most famous images in cinema is to be found in the film The Blue Angel 1930 Lola Lola Marlene Dietrich in revealing black suspenders sits on a beer barrel clasping an upraised knee with both hands while she leans slightly back Though not Germany s first sound film it was at the time the most prestigious and expensive by far Sternberg had been lured back from Hollywood and together with acting star Emil Jannings and producer Erich Pommer he set about making an adaptation of Heinrich Mann s novel Professor Unrat The result is a subtly claustrophobic study of a man s downfall which is a milestone in European cinema
