## **Brazen Angel:**

*O Little Town of Bethlehem* Elizabeth Boyle, 2024-10-01 A heartwarming magical story of a woman lost in time who must assist two others in untangling the lies surrounding their lives if she wants to return to her own. One wish could change everything. At least it did for Madeline Drake. When a snowy accident topples her through a slip in time, she wakes to find herself in tiny town of the century Bethlehem Wyoming, far from her hectic modern existence. And as much as it is a shock to her, her arrival upends the tenaciously rooted lives of the town's odd collection of lost souls. But the rules are clear: she has to stay until Christmas before the door home will open. Having never been much for rules, Madeline begins an out-of-control campaign to return sooner rather than later but finds her arrivals as unwittingly upended the lives of the town's proper postmistress Ninny Minch and that of a grieving widow Savannah Clarke who has been hiding behind a wall of grief and guilt for decades. Now Madeline's got to fix those broken threads. While helping anyone other than herself doesn't come easily to her and despite her best efforts to avoid entanglements, fragile bonds of friendship form with Ninny and Savannah. Madeline discovers much to her surprise that trust and acceptance, once given, may be strong enough to untangle even the most closely woven secrets, including a few of her own. As Christmas draws near and time runs out, Madeline finds herself even more entwined in Bethlehem's currency of wishes and hope until she starts to question if this small town might actually hold the keys to a life of purpose and empowerment she'd never imagined. If you are looking for that warm and cozy holiday, read a book to share with your dearest friends, your book club, and your family. *O Little Town of Bethlehem* is sure to delight and have you reaching for a cup of tea and perhaps another slice of Ninny's Christmas cake. *Romance Fiction* Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have. **Revelations** Sam Kelly, 2016-07-08 There is a battle that has been brewing for centuries between good and evil, between Heaven and Hell.
