Challenge Of Chance:

The Challenge of Chance Sir Alister Clavering Hardy, Robert Harvie, Arthur Koestler, 1973 In the autumn of 1967 on seven consecutive Monday evenings two hundred people met at Caxton Hall Westminster to conduct a series of experiments arranged by Professor Sir Alister Hardy a world authority on marine biology and latterly the founder and head of the Religious Experience Research Unit at Oxford But the experiments had little to do with his speciality They were concerned with another of Sir Alister s life time interests extra sensory perception The experiments are fully described and illustrated in this book and they led to some remarkable results front flap [The Challenge of Chance](#) Klaas Landsman, Ellen van Wolde, 2016-06-09 This book presents a multidisciplinary perspective on chance with contributions from distinguished researchers in the areas of biology cognitive neuroscience economics genetics general history law linguistics logic mathematical physics statistics theology and philosophy The individual chapters are bound together by a general introduction followed by an opening chapter that surveys 2500 years of linguistic philosophical and scientific reflections on chance coincidence fortune randomness luck and related concepts A main conclusion that can be drawn is that even after all this time we still cannot be sure whether chance is a truly fundamental and irreducible phenomenon in that certain events are simply uncaused and could have been otherwise or whether it is always simply a reflection of our ignorance Other challenges that emerge from this book include a better understanding of the contextuality and perspectival character of chance including its scale dependence and the curious fact that throughout history including contemporary science chance has been used both as an explanation and as a hallmark of the absence of explanation As such this book challenges the reader to think about chance in a new way and to come to grips with this endlessly fascinating phenomenon *The Challenge of Chance* Sir Alister Clavering Hardy, Robert Harvie, Arthur Koestler, 1973 *The Challenge of Chance* Sir Alister Clavering Hardy, Robert Harvie, Arthur Koestler, 1974 **Challenge to Chance, Etc.
