Changing Pastors:

A Change of Pastors ... and How it Affects Change in the Congregation Loren B. Mead, 2012-01-09 Twenty years after *Critical Moment of Ministry* was first published Loren Mead returns to his groundbreaking work on one of the most important times in a congregation's life the time between one pastor's leaving and another's arrival In this revised edition *A Change of Pastors* Mead shares the wisdom he gained from 35 years of studying congregations wisdom that he hopes will allow congregations to take full advantage of this extraordinarily pregnant moment during which incredible congregational change can happen

The Pastor in a Changing Society Zawadi Job Kinyamagoha, 2014-10-07 This book examines how social change affects the role of the pastor in an African context Through field study in African churches author Zawadi Job Kinyamagoha explores how pastors work amid the tensions of rapid social change and suggests how pastors can constructively respond to social change by using it as an opportunity in their pastoral ministry Contemporary society is characterized by three cultural spheres the economic sphere the public sphere and the democratic or self governance rule the realities of which many pastors seem to overlook Church authorities seem to adhere rigidly to strict principles and rules without accommodating the realities of society Conversely a changing society demands that pastors work with the reality at hand leaving pastors caught between two conflicting tensions the pressure from church authorities and from a changing social reality *The Pastor in a Changing Society* seeks to help Tanzanian and African pastors rethink existing doctrines and practices in order to better respond to the reality of a changing society
