John Yieh

Conversations With Scripture:

Conversations with Scripture William Brosend, 2006-11 Part of the Conversations with Scripture series this book looks at the Biblical topics Each chapter is organized by Parable type such as seeking and growth and left room for activity ideas such as role playing parable writing or music It also gives the historical and cultural background **Conversations with Scripture** L. William Countryman, 2013-02-01 Written in accessible language and sensitive to those who have little or no experience in reading the Bible each book in the Conversations with Scripture series focuses on exploring the historical and critical background of the biblical texts while illustrating how these centuries old writings still speak to us today Countryman brings his considerable biblical studies erudition as well as his skills as a popular writer and published poet to bear on the Psalms Though an accomplished scholar of the New Testament Countryman illumines the Psalms with insight and creativity Readers will experience this most beloved part of the scriptural canon in a fresh and exciting way **Conversations with Scripture** Katherine Grieb, 2007-10-01 This volume turns its attention to Hebrews a beautiful yet complex Epistle The author helps modern readers to understand the language and issues in this important biblical work **Conversations with Scripture** Stephen L. Cook, 2008-09 The God of Second Isaiah the Holy One of Israel is increasingly **Let Me Ask You a Question** Matthew Croasmun, 2018-07-01 We often think of Jesus as someone with all the answers But over and over in scripture he asks questions seeking to engage with people and genuinely interested in their responses Matthew Croasmun challenges readers to consider this book as an experiment an opportunity to see whether God is real He invites us to enter into conversation with Jesus by answering the questions Jesus asks in scripture The goal is not to come up with what we think are the right answers but to respond honestly to Jesus questions Each chapter of this six week study contains five readings Each reading follows this format A Bible passage with a question Jesus asks in bold type A short reflection designed to help you engage with Jesus question as he asked it in the Gospels and as he asks it of you now Space for you to continue the conversation with Jesus Written in a warm encouraging style this thought provoking and imaginative book will certainly give readers entry points into conversation with God and they may find themselves experiencing a deeper relationship with the divine than they ever thought possible Conversations with Scripture C.K. Robertson, 2010-09 As Luke s sequel the Acts of the Apostles serve as an ideal bridge between the four Gospels and the Epistles revealing a crucial part of the Christian story Here we follow the story of Jesus earliest followers from their call to be his witnesses to the ends of the earth through their initial days of concord and numerical successes to the challenges they faced as unfamiliar newcomers entered the scene We discover the leadership changes that resulted from these challenges explore a council s response to the struggles and meet the champion who against the odds became the Church s chief protagonist Author C K Robertson presents a well researched yet highly readable exploration of the Acts of the Apostles Conversations with Scripture Cynthia Kittredge, 2007-09 For contemporary Christians Johns Gospel is a paradox On the one hand it stresses boundaries while on the other it stresses

community This edition encourages readers to draw out the tensions between these two perspectives to make the gospel more meaningful to their lives

Conversations with Scripture John Yieh, 2012-04-01 This book invites readers to enter the narrative world and the historical context of Matthew's gospel to encounter Jesus Christ in his mighty works and words Focusing on particular social and theological issues such as eschatology and Jewish-Christian conflict it shows how Matthew used Jesus' stories and teachings to instruct and sustain his racially mixed church to meet the severe challenges posed by Pharisaic opposition Roman suspicion and intramural tension It is worth noting that the church today faces similar challenges in its need to articulate its faith and identity to bear strong witness and unity and to carry out its missions to baptize and teach the world Sponsored by the Anglican Association of Biblical Scholars the Conversations with Scripture series was created just for Episcopalians Each book is designed for people in the pews eager to learn more about Scripture and how it applies to their lives today

Conversations on Scripture, Conversations with Scripture L. William Countryman, 2013-02 Written in accessible language and sensitive to those who have little or no experience in reading the Bible each book in the Conversations with Scripture series focuses on exploring the historical and critical background of the biblical texts while illustrating how these centuries-old writings still speak to us today Countryman brings his considerable biblical studies erudition as well as his skills as a popular writer and published poet to bear on the Psalms Though an accomplished scholar of the New Testament Countryman illumines the Psalms with insight and creativity Readers will experience this most beloved part of the scriptural canon in a fresh and exciting way

Conversations with Scripture Edmond F. Desueza, Judith Jones, 2011-06 Daniel was written during a time when God's people were struggling to discern how to remain faithful even as their lives were dominated by the political and cultural forces of the Empire Daniel's central themes have remained relevant ever since the challenge of remaining loyal to God despite the alternately seductive and threatening voices of imperial powers the indispensability of humility before God the perpetual problem of human arrogance and failure to recognize the overarching power of God the insatiable and life-denying human thirst for power and control and the call to find in God the source of just joyful and abundant living As people today try to make sense of a newly emerging global reality Daniel continues to speak an important word about faithful living Who truly controls our lives To what or whom do we owe ultimate allegiance To whom do the kingdom the power and the glory belong This book invites readers to consider the questions that Daniel raises and then live out the answers

Conversations with Scripture Jay Sidebotham, 2015-03-01 This book guides readers into conversation with Paul's letter to the Romans The author helps readers listen to what that letter said to the people to whom it was written and to hear what it says to us today Readers will bring their own reflections personal concerns and questions to the table as we let this letter challenge us with meaning letting it read the reader The thesis of this book is that the letter has demonstrated transforming power to renew lives and the church through a focus on worship a rigorous assessment of the human condition especially the failure of human

religiosity a claim of transforming power in the ongoing life of Christ an expansive vision of who is included in God's life and love a call to practical application and proclamation of the gospel

Talking with the Bible Donn Morgan, 2013-02-01 The Bible is full of sound and fury just like the world that looks to it for answers It is also a powerful resource for understanding and moving beyond conflict Talking with the Bible helps readers understand how and why we have conversations with the Bible in our communities of faith There is no one way to talk with the Bible and no one way the Bible talks to us Rather there are a number of differing sometimes contradictory ways in which we understand the Bible in conversation and as a dialogue partner Through studying scripture together and alone we can become more sensitive and adept at listening to and understanding one another

Conversations with Scripture Frederick W. Schmidt, 2005-03-01 Roadmap myth or history An accessible review of The Book of Revelation for today's audience Conversations with Scripture Revelation is the first book in the Anglican Association of Biblical Scholar Study Series Written in accessible language and sensitive to those who have little or no experience in reading the bible each book in the series focuses on exploring the historical and critical background as well as how the biblical texts written centuries ago can still speak to readers today Frederick W Schmidt also the series editor explores the approaches that have dominated the interpretation of John's Apocalypse and offers the reader an accessible means of understanding and evaluating them With this grounding in hand Schmidt explores how Revelation can shape our understanding of God and nurture our spiritual lives in unexpected ways Leaving behind left behind theology Schmidt offers instead an approach that allows this obscure almost opaque text to speak to us anew about God faith hope and justice

The Conversations of Jesus Simon J. Kistemaker, 2004-10-01 Through Scripture and spoken word Jesus continues to attract millions of followers today In many ways those who seek Christ now differ little from those whose stories we learn in the Gospels Peter Nicodemus Mary the Samaritan leper even Judas Professor Simon J Kistemaker has spent his professional life studying the words and actions of those who spent time with Jesus In The Conversations of Jesus he offers a glimpse into the lives of those who were touched by encounters with Jesus Christ Readers will find much in common with these first century people including their feelings of inadequacy confusion and joy at meeting the Savior Ideal for laypersons and pastors The Conversations of Jesus helps readers strengthen their walks with Christ as they learn about others who have walked this path before

Conversations with Scripture Kevin A. Wilson, 2006-05-01 Although the Ten Commandments has been the center of much recent controversy in American politics scripture contains many laws about which Christians are perplexed If the Bible contains laws shouldn't those laws be followed What does the law that prohibits reaping a harvest to the very edges of your field mean in modern times Or what about God's prohibition in Leviticus not to round off the hair on your temples or to mar the edges of your beard The Decalogue and the Holiness Code in Leviticus contain guidelines to ethical behavior that originally helped to shape a covenant community and still have meaning for us today In the newest addition to the Conversations with Scripture series Kevin Wilson offers fresh insights into the meaning of the Law for today

In chapters that explore the Law in Exodus and Leviticus Wilson examines the historical and cultural contexts of these legal codes He discusses rituals such as sacrifice and rituals related to purification from defilement Wilson demonstrates the ways in which the temple priests used many of these laws as their own code of purity and their own method of enforcing purity in the covenant community As with other books in the series Wilson s book features definitions and sidebars in each chapter on particular topics as well as study questions

Conversations with Scripture Roy Heller,2011-09-01 The Book of Judges appropriate for Sunday School curriculum or an irredeemably violent book Throughout its history Judges has both entertained and appalled readers some read it as a series of simple stories about faithfulness and some as a brutal and bloodthirsty book Heller explores how Judges can shape our understanding of our world our relationships and can provide a path to a deeper appreciation of the ways of God among people Far from seeing the book as either simplistic or cruel Heller allows this odd text to speak to us anew about God sin relationships and justice

Conversations on the Bible Enoch Pond,1886

Conversations with Jehovah's Witnesses Ron Rhodes,2014-02-01 An unfamiliar car parks near your house and two pleasant looking folks approach your front door The doorbell rings and after exchanging pleasantries your unexpected guests offer you some literature from the Watchtower Society What will you say What should you say Should you engage your visitors in conversation at all And if so how Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah s Witnesses demonstrating helpful techniques for listening asking questions avoiding offense and more He includes the information you need to address the big issues including the New World Translation of the Bible the divine name the Trinity salvation and the afterlife With this practical kindhearted and easy to understand resource you can actually enjoy discussions about your faith when Jehovah s Witnesses come to call and you can lovingly guide them to the truth about Jesus Christ

Conversations with Scripture and with Each Other M. Thomas Shaw,2008

Conversations With Scripture Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Conversations With Scripture**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
