Devotional Commentary:

A Devotional Commentary on the Gospel of St. John McVeigh Harrison, 1919 *Philippians: A Devotional Commentary* Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians Like all Scripture Paul's letter to the Philippians reorients our vision It is clear throughout this letter he was at peace and the believers at Philippi weren't And the difference is perspective He clearly wanted to change how they viewed their and his circumstances By reframing the picture he gave them reasons to celebrate endure heal their divisions and move forward in faith And he gave us a field manual for seeing our lives with new eyes and overcoming adversity Written by beloved devotional writer and biblical scholar Chris Tiegreen each book of The See Series does more than encourage us simply to know and then do rather casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our imaginations If we can see what biblical writers saw and live according to that vision we can be transformed A valuable resource for any Christian each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re-envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to expand your spiritual vision even more *Philippians: A Devotional Commentary* gives rich insight into the truths contained in this New Testament epistle offering a vision of a life filled with joy gratitude grace and peace

Great Verses Through The Bible Frederick Brotherton Meyer, 1977 *Psalms: A Devotional Commentary* Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The Psalms provide an occasion for us to immerse ourselves in God's presence and the nature of his

Kingdom We can read the Bible and listen to sermons all day long but the truth we read or hear just fades away after a few days unless we are cultivating the Kingdom within us The soil of our hearts needs to be right In many respects this is what King David and other psalmists wrote about in the Psalms They are case studies in truth taking root in the heart where God ultimately wants his Word and his Holy Spirit to dwell Written by beloved devotional writer and biblical scholar Chris Tiegreen each book of The See Series does more than encourage us simply to know and then do rather it casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our inner eye If we can see what biblical writers saw and live according to that vision we can be transformed A valuable resource for any Christian each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to expand your spiritual vision even more Psalms A Devotional Commentary will help this Old Testament book of poetry prayer praise and lament come alive for you bringing transformation for your mind and imagination *The New Testament Devotional Commentary, Volume 1* Bo Giertz, Bror Erickson, 2021-11-16 Bo Giertz was a serious biblical scholar who avoided the ivory tower He studied classics in undergrad before taking up theology in preparation for the ministry In 1930 he spent time on an archeological dig in Palestine and travelled the country with his exegetical professor Anton Fridrichsen who insisted on Biblical Realism which avoided fundamentalism and yet refused to succumb to higher criticism In these commentaries Bo Giertz takes what he learned from a lifetime of such study and application in in sermons and visits with people to open Scripture to anyone who wants to grow in their faith He never avoids the hard questions concerning the texts and yet tackles them in such a way as to restore confidence in God s word Here he is concerned with what the text meant to those who first wrote it and heard it so he can deliver the same goods to us today *A Devotional Commentary on the Gospels* Favell Lee Mortimer, 2015-07-11 Can there be any account in the world so interesting to us as the history of our Lord and Savior while he spent thirty three years upon earth There were people with him who heard his sayings and observed his actions Four holy men as you are aware wrote accounts of his life It might well be supposed that these histories would not contradict each other for they were all true But the writers not only wrote what they knew to be true the Holy Spirit instructed them what to relate They were inspired of God When we read their writings we read the words of God himself With what reverence should we attend As some of these four Evangelists related one event and some related another it is interesting to place their accounts together endeavoring to observe as well as we can the order of time in which the events occurred Such an arrangement is called a Harmony of the gospels We shall begin with the words of John because he speaks

of Jesus before he came into the world even when he was with his Father in heaven We shall find that the Son of God made the world He did not appear in it as a man until four thousand years had rolled away but long before he came he was promised by God and described by the prophets such as Moses David Isaiah and many others of whom Malachi was the last At length he appeared and fulfilled all that had been said of Him Let us read of Him as of one that came into the world to save us Everything that concerns him is of the greatest importance to us for if we do not believe on him and love him above all we shall perish forever Let us therefore always before we read lift up our hearts to God in prayer O Lord grant unto us your Holy Spirit that our souls may be saved by the knowledge of your blessed Son We shall not always meet together to worship God as we do now A day will come when each of us will unite with the rest in reading and prayer for the last time But if we believe in Jesus we shall not part forever We shall meet again in Heaven Then how delightful it will be to look back upon the time when as one family we used to assemble to hear about our beloved Lord Many hours which we spent below may then be remembered with regret but not those precious moments devoted to hearing about Him whose presence will make us happy through eternity

Old Testament Devotional Commentary Series Warren Henderson, 1919-06-15 The primary purpose for studying God's Word is to know the Lord and learn how to please Him If our goal is merely to gain information we will just become puffed up with non life transforming knowledge Paul warned that knowledge puffs up but love edifies 1 Cor 8 1 Knowledge that does not engage the heart will not draw us closer to the Lord in fact it tends to do the opposite The aim of a devotional commentary is to help the reader pause and consider the deeper life related implications of the portion being read What is God telling us about His character emotions and attributes How is His plan of salvation being displayed How should we respond to His Word Today the Christian community sits atop a vast array of written resources many of which have been penned by those who have gone to be with Christ Though some of these books are out of print they still display a relevance to current issues while maintaining a deeply devotional viewpoint sadly lacking

in much of today's Christian literature This OT Devotional Commentary Series captures some of the richest gleanings of nearly two hundred time honored authors whose goal was sound biblical exposition that would magnify Christ and lead to godly living Each book in this fourteen volume series contains dozens of brief devotions This permits the reader to use the series as a daily devotional or as a reference source for deeper study This eighteen year project has been helped along by dozens of gracious and talented saints for whom I am profoundly grateful I am also immensely thankful to the Lord for what He has taught me through this study Being often before the Lord with an open Bible has deeply blessed my own soul From that perspective I count the entire effort to have been incredibly worthwhile even if no one else benefits from reading a single volume of this series

The New Testament Devotional Commentary, Volume 2 Bo Giertz,Bror Erickson,2022-08-09 Bo Giertz wrote these commentaries in retirement after a lifetime of studying the Greek New Testament These accompanied his own translations of the New Testament This volume covers the Gospel of John through to Second Corinthians Many have previously enjoyed Giertz s Romans commentary that is also included here and they will not be disappointed with his treatment of the other texts Giertz s views were heavily shaped by his mentor Anton Fridrichsen who wanted to counter both the liberalism of men like his friend Rudolph Bultmann and the neo orthodoxy of Karl Barth with Biblical Realism Biblical Realism sought to avoid the pitfalls of biblicism by allowing for academic freedom while studying scriptures while also maintaining that the events of the Bible were true events that happened in our history all centered upon the death and resurrection of Christ The scriptures are therefore a salvation history meant to declare to you a message by which you will be saved you and your household Acts 11 14
