

**Learning Objective:**

To consider the areas of dialogue between a Christian belief in miracles and philosophy.

**Preparation:** You cannot engage in dialogue unless you are familiar with some of the miracle stories described in the Bible. Here are a few suggestions for you to read:-

Jesus turns water into wine – John 2: 1-11

The feeding of the five thousand – Matthew 14: 13-21

The healing of blind Bartimaeus – Mark 10: 46-52

Jesus stills a storm Mark 4: 35-41

There are many more.... Find some that stick in your memory.

**Dialogue:** The dialogue is around whether or not Christian miracles are believable and their function and purpose. Empiricists would reject the idea of miracles as unscientific, but is this the whole story? The opening problem is one of language and what precisely we mean when we use the word miracle. **WATCH** the video and then **THINK** about the notes provided.

Some further **RESEARCH** may be necessary on the philosophers mentioned and it's a good idea to find some memorable quotations to use in your essay.

**WRITE** an answer to the question below:-

*"Human experience shows that it is not reasonable to believe in the miracles of the Bible."*  
Critically examine and evaluate this view with reference to the dialogue between Christianity and David Hume. (25 marks)

**Important note:** Dialogues questions are a single question that covers all assessment objectives. These are AO1 – Knowledge and Understanding and AO2 Evaluation. 40% of your answer should deal with the first assessment objective and 60% should be evaluative. You can write your answer in two sections if you wish, but it is better to write it as an integrated whole. When you do this a useful tip is to pencil an E in the margin every time you make an evaluation point. When you've finished if the number of Es look a bit sparse go back and do something about it! This applies to all dialogues questions. Remember it's quite legitimate to put in stuff that you know that isn't in the syllabus provided you can show its relevance.
