Declare War

Pitt Cobbett

Declare War:

I Declare War Levi Lusko, 2018-10-30 We all battle inner struggles whether it's self-doubt, depression, fear, or anger. It's time to get out of your own way. Whether you recognize it or not, you're at war with yourself. There's anxiety, selfishness, self-sabotaging tendencies, narcissism, depression. The inability to do the great things you long to do because you spend so many hours mindlessly drifting through the internet. It is war, but all is not lost. You can win if you choose to engage. In **I Declare War**, Levi Lusko candidly shares his struggles with moodiness, bullying, suicidal thoughts, night terrors, and difficulty managing himself. He identifies four weapons you have at your disposal: thoughts, words, behaviors, and power, and illustrates how to use them to achieve ongoing victory. These practical tools from God's Word will help you learn to retaliate against your anxiety by filling your heart with truth and making it inhospitable to terror. Stop being victimized by your bad behaviors and become the victor you were born to be. Overcome self-imposed isolation by learning to think right so you can live right. Spare your family unnecessary heartache by confronting your dysfunction so they don't have to. It's time to stop being your own worst enemy. Declare war and become the person the spouse, the parent, and the leader God intended you to be. **I Declare War**

Levi candidly shares about his struggles with moodiness, bullying, suicidal thoughts, and night terrors to show how you, with the help of the Holy Spirit, can achieve victory by learning to think right so you can live right. So that you can claim the victory God has for you. Apostle Sharon Loving Ruff, 2015-11-30 Apostle Sharon Loving Ruff shares an amazing journey in her quest for a greater anointing from the Lord for spiritual warfare. After years of being used in the deliverance ministry, she encountered individuals who didn't receive the fullness of relief they desired. Being one who had suffered torments from demonic attacks from childhood, her heart cried out for their plight. One day she decided to experiment with a warfare strategy recorded in Ezekiel 4 in the Bible. The results she sought did not manifest, so she lost interest in that approach. Years later, the Holy Spirit whispered, "Enemies are all around you." Shortly afterwards, she

received a visit from an Angel of the Lord In a voluminous voice he said Declare war against the enemies of the Cross attacking you and the works of your hands Little did she know that the manner in which she followed those instructions wasn't sufficient to protect the works of her hands or her from the spiritual enemies that the Holy Spirit had told her were surrounding her This truth was revealed about four months later when the Angel of the Lord made his second visit This time his visitation brought a message that was a strong rebuke Her book chronicles her experiences manifested changes in her life and members of her church and ends with an amazing breakthrough She invites others to seek the Lord for permission to use His declaration of warfare prayer delivered by the Angel of the Lord on his third visit

Congress Declares War
Roland H. Worth, Jr.,2010-06-28 The dramatic events of the Pearl Harbor attack have been covered in detail from a wide variety of approaches What came next the American declaration of war the intervention of Germany and Italy and the U S proclaiming war against them as well has been given considerably less attention This detailed volume fills that gap with careful analysis of how the public and Congress reacted to the attack and how it began to modify their past attitudes toward foreign war Excerpts from the Congressional Record of 1941 support the author's discussion of the debates leading to the decision to declare war The book explores the rationales defending past conduct by those who had been of both interventionist and anti interventionist sentiments as well as their collective effort to forge a national consensus that would support a multi year international conflict Emphasis is also placed on the reasoning behind war not being immediately declared on Germany as well as Japan and the motivations behind Germany's decision to enter the conflict on its own initiative Lengthy attention is given to Jeanette Rankin the only House member to vote against the war
