Swooshing Past Hod Doering,2017-04-22 This is the second book of Swoosh Family poems So I guess you might like to know where the Swoosh family came from The actual Swooshes are scribbles that live at the bottom of some pages in my written idea journals They started out as nameless undistinguished scribbles to end a page and fill up an extra line or so at the bottom Somewhere about three years in they began to take a particular shape that reminded me of faces so I began adding eyes and mouth indications That gave them a personality in my jaded eyes They were looking at me as I turned the page and they sort of reminded me of people I knew or knew about I wrote a poem then three then three hundred or so The family members and extended family members are not my own family necessarily but are each based on people I have met in some cases heard about it s a writer thing I guess Check these out you may know some of them yourself

Richard Pryor in Hollywood Anthony Balducci,2018-07-06 Hollywood studios were once eager to bring stand up comedy king Richard Pryor s dynamic humor to the big screen so much so that studio executives gave him full access to available resources and creative control to develop his own projects Unfortunately Pryor s screen talents were far less acclaimed than his stage ones and flops such as The Toy and Superman III greatly diminished his reputation The author examines how this downfall unfolded through comprehensive analyses of each of Pryor s movies
