Deviant Eyes Deviant Bodies:

Deviant Eyes, Deviant Bodies Chris Straayer, 1996 On homosexuality in cinema [Extra-Ordinary Men](#) Nicola Rehling, 2010-06-21 *Extra Ordinary Men* analyzes popular cinematic representations of white heterosexual masculinity as the ordinary form of male identity one that enjoys considerable economic social political and representational strength Nicola Rehling argues that while this normative position affords white heterosexual masculinity ideological and political dominance such ordinariness also engenders the anxiety that it is a depthless vacuous and unstable identity At a time when the neutrality of white heterosexual masculinity has been challenged by identity politics this insightful volume offers lucid accounts of contemporary theoretical debates on masculinity in popular cinema and explores the strategies deployed in popular films to reassert white heterosexual male hegemony through detailed readings of films as diverse as *Fight Club* *Boys Don't Cry* and *The Matrix* Accessible to undergraduates but also of interest to film scholars the book makes a distinctive contribution to our understanding of the ways in which popular film helps construct and maintain many unexamined assumptions about masculinity gender race and sexuality

Between the Sheets, in the Streets Chris Holmlund, Cynthia Fuchs, 1997 *Martial Law Melodrama* José B. Capino, 2020-01-07 Lino Brocka 1939 1991 was one of Asia and the Global South's most celebrated filmmakers A versatile talent he was at once a bankable director of genre movies an internationally acclaimed auteur of social films a pioneer of queer cinema and an outspoken critic of Ferdinand Marcos's autocratic regime Jos B Capino examines the figuration of politics in the Filipino director's movies illuminating their historical contexts allegorical tropes and social critiques Combining eye opening archival research with fresh interpretations of over fifteen of Brocka's major and minor works *Martial Law Melodrama* does more than reveal the breadth of his political vision It also offers a timely lesson about popular cinema's vital role in the struggle for democracy

Bodies in Commotion Carrie Sandahl, Philip Auslander, 2005

Cinemas of Bisexual Transgression Jacob Engelberg, 2025-11-28 In *Cinemas of Bisexual Transgression* Jacob Engelberg calls for a bisexual reimagining of queer film studies using transgressive cinematic figures to challenge binary modes of thinking about sexuality and reveal how social structures are exposed and unsettled through their contestation

The Routledge Companion to European Cinema Gábor Gergely, Susan Hayward, 2021-12-29 Presenting new and diverse scholarship this wide ranging collection of 43 original chapters asks what European cinema tells us about Europe The book engages with European cinema that attends to questions of European colonial racialized and gendered power seeks to decentre Europe itself not merely its putative centres and interrogate Europe's various conceptualizations from a variety of viewpoints It explores the broad complex and heterogeneous communityies produced in and by European films taking in Kurdish Hollywood and Singapore cinema as comfortably as the cinema of Poland Spanish colonial films or the European gangster genre Chapters cover numerous topics including individual films film movements filmmakers stars scholarship representations and identities audiences production practices genres and

more all analysed in their context s so as to construct an image of Europe as it emerges from Europe s film corpus The Companion opens the study of European cinema to a broad readership and is ideal for students and scholars in film European studies queer studies and cultural studies as well as historians with an interest in audio visual culture nationalism and transnationalism and those working in language based area studies Journal of the History of Sexuality ,1996 *High Heeled Sexualities* H.
