The Devil's Stone Marie Reindorp,2023-05-15 **The Devil's Stone** Marie Reindorp,2008 The Devil's Stone Helen Frances,1983 **Cloven Country** Jeremy Harte,2023-08-25 Now in paperback an exploration of the myths of England's deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil's work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil's hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales **The Devil Stone** Beatrice Heron-Maxwell, Teutonic Mythology Jacob Grimm,1883 The Galaxy William Conant Church,1877 *Cecil B. DeMille's Hollywood* Robert Birchard,2004-06-29 Drawing extensively on DeMille's personal archives and other primary sources Robert S Birchard offers a revealing portrait of the film maker that goes behind studio gates and beyond DeMille's legendary persona Cecil B DeMille's Hollywood is a detailed and definitive chronicle of cinematic work that changed the course of film history and a look at how movies were made during Hollywood's golden age

Folklore Rising Ben Edge,2024-10-08 Ben Edge is a rising star of both the art world and the current folk renaissance This first trade book of Edge's art featuring over 200 artworks is a unique insight into his creative process as well as the first mainstream book to explore the amazing and wildly popular folk customs of the British ritual year In his deeply squirrely edgy almost mystic paintings Ben Edge tries to ask where we all come from and why we tell ourselves the stories we tell ourselves Jerry Saltz It's time to rediscover the real and this book tells you where to find it Indispensable Jarvis Cocker Ben Edge has travelled the length and breadth of Britain recording the weird and wonderful folk customs alive in communities all over the country In this book the first trade edition of his art he shares over 200 paintings and photographs along with real

life stories anecdotes and legends He talks about how connecting with our incredible living folklore helped him recover from depression and also introduces his idea of folklore activism suggesting that the current massive resurgence of interest in contemporary folk culture represents ordinary people s desire to find new ways of envisioning community and caring for and connecting to nature Readers will be enchanted and inspired by the images and description of Mass events that are attended by thousands such as the solstices at Stonehenge the Padstow Obby Oss parade the Burry Man s Day and the Straw Bear of Whittlesea Practices to celebrate the turning wheel of the year from wassailing to May Day fertility rites to fire festivals to Mumming Plays The progressive all female Morris dancing side Boss Morris The Green Man how this has become an icon of modern spirituality and eco consciousness and a personal symbol of mental health recovery to Ben Standing stones and the mythology surrounding them Overall the book explores the psyche of British folklore showing how this has fed into his art and what this means in the context of contemporary life It s a book about reconnection with nature each other and the past through art and folklore
