Hallowed Ground Mark Norman, 2025-05-02 Hallowed Ground examines the surprising traditions customs superstitions and secular imagery found in Christian churches and churchyards with a particular emphasis on the traditional rural protestant church Beginning with stories associated with the construction of church buildings themselves and the role that they played in the community the book moves through a number of subjects where everything might not be as it would seem it should be in the Christian church and its grounds Expect vestiges of pagan symbols hidden in the fabric of the church building and clergymen rumored to hold strange arcane knowledge of their own kept within their personal occult libraries Learn the ways in which you can use the church and its grounds to divine who might die in the next twelve months where you might find love and how you might cure illnesses Watch out for a number of figures you wouldn't expect to find on such holy ground from run ins with the devil to spectral figures inhabiting the church or its graves Discover some of the ways in which magic and witchcraft seep into the hallowed ground of the churchyard from outside Hallowed Ground will offer more than a few surprises about the folklore that surrounds the church and churchyard and a fascinating insight into the social history of our place of traditional Sunday worship all delivered with the academic rigor and accessible engaging style for which the author is known British Popular Customs, Present and Past Thomas Firminger Thiselton-Dyer, 1900 **All about Devils** Moses Hull, 1902 **International Catalogue of Scientific Literature, 1901-1914**, 1905 International Catalogue of Scientific Literature, 1903 The Yorkshire Archaeological Journal, 1903 A review of history antiquities and topography in the county **Folk Service Year Book**, 1972 The Pennycomequicks Sabine Baring-Gould, 1889 **The World Encyclopedia of Christmas** Gerry Bowler, 2012-10-23 At last a truly comprehensive look at Christmas and all of its customs with its long history around the world The World Encyclopedia of Christmas contains articles on the history of Christmas baking drinking and merrymaking and Christmas dramas music literature art and films It includes entries on the evolution of the Christmas tree and the Christmas card gift giving and decoration of church and home There are profiles of the many gift bringers from Santa Claus to Babouschka and miraculous tales of the numerous saints associated with the season And there are histories of seasonal celebrations and folk customs around the world from the United States to Japan from Egypt to Iceland Who for example knew the links between the Punch and Judy show and Christmas That the medieval Paradise tree hung with tempting apples was the forerunner of the Christmas tree About the Peerie Guizers who terrorized the Shetland Islands going door to door for Christmas charity Or what Freudians make of our interest in Christmas stockings and Santa's entrance through the chimney There are detailed accounts of Wren Boys and Star Boys mumming and wassailing the Feast of Fools and the origins of eggnog And of course stories of the Nativity and legends of the Magi With beautifully illustrated accounts ranging from the pagan roots of Yuletide through the birth of Christ and the long and fascinating history of the festival ever since The World Encyclopedia of Christmas is a rich and continually surprising array of religious and secular
