## **Dialysis Patience:**

*Principles and Practice of Dialysis* William L. Henrich, 2009 This book is an evidence based review of the practical challenges of dealing with patients receiving dialysis The first section covers technical and procedural considerations such as choosing the hemodialysis membrane and choosing the best dialysis option The second section covers clinical considerations such as infection and the treatment of specific renal disease complications The book includes numerous illustrations and tables and drug charts for dialysis patients This edition s current outcomes chapter has been expanded to include patient depression and improving quality of care New chapters cover dialysis in the ICU valvular heart disease and pre-emptive renal transplantation

[What You Must Know About Dialysis](#) Rich Snyder, 2013-03-14 Dialysis can be a life saving technique for the individual whose kidneys are unable to remove toxic waste and excess water from the blood But over time the process can become both physically debilitating and psychologically difficult To address these issues kidney specialist Dr Rich Snyder has written a complete guide to dialysis This book not only provides answers to common questions about the process but also offers practical advice and strategies as well as complementary options that can help you deal successfully with the many aspects of your treatment plan The book begins with an introduction to dialysis what it is how it works and what types are available It then goes on to discuss the importance of blood tests common medications and their complications and associated disorders Crucial information is included on natural supplements lifestyle changes nutrition and effective coping tactics For most people dialysis is an unplanned and uncharted journey In this book Dr Snyder lights the path ahead by combining compassion with rock solid information that can make a real difference in your health

*Dialysis Without Fear* Daniel Offer, Marjorie Kaiz Offer, Susan Offer Szafir, 2007-06-28 Offer and his coauthors also provide realistic insights into how relatives can cope and thrive together sharing the humor courage and triumphs of real families who have successfully faced the challenges of dialysis
