Discovering A Better Way To Pray DeForest Augustus,2020-06-15 Prayer Is the most exciting and most misunderstood aspect of human experience Learning the power of prayer can open heaven on earth most people say it as cliché but prayer is powerful when you understand and us it in the proper way Prayer simply put is relationship and communion with God Most of us were never taught how to pray we always just thought it was talking to God Yes prayer is talking to God bringing God back the promises he has already promised us Learning the scriptures to learn Gods will for your life is vital to build a strong prayer life Steps to answered prayer breaks down the steps to pray effectively it s not a punch of prayers to remember Its teaching you to pray your self and get your prayers answered The only thing the disciples asked Jesus to do was to teach them how to pray After years in my own life of struggling with praying wondering if God heard my prayers lead me to ask God to teach me and i began to study the scriptures along with the principles I found that it was a better way to pray and that all answers to our prayer is not simply God answering us God has given us authority to move mountains learning to pray with authority is a key to most of the problems we pray about God is concerned with every little aspect of your life and he wants to give you all the things you want in your life according to his will Your prayer life will grow when you pray according to scripture and mediation this book will teach you in a simple way to pray and get the results your looking for according to Gods will
