What You Probably Didn't Know About Sex and Celibacy Simona Rich,2016-05-01 Sex 2 So that it serves as a source of information for those who are thinking about this lifestyle and want to find out what they can expect from it. 3 Over the years of my spiritual journey I have come across many incorrect accounts in regard to celibacy like in patriarchal religious texts of the East which probably suffered additions like the Bible did. These distortions about sex and celibacy especially target women so I consider it my responsibility to dispel all these falsities through revealing my first hand

experience on the matter as well as quoting reliable sources that support my experiences and thus prove them to be genuine

4 I've also written this ebook to at least to some extent remove the repulsion about the word celibacy since many practice celibacy when they're totally not ready for it and thus truly misguide others about this lifestyle such as priests that have no choice about the matter Because of this indulgence in sense pleasures is chosen over celibacy which serves to stall the spiritual development of a human that's not ready

5 When one becomes interested in such a road usually he is exposed to age old religious teachings that were copied and distorted throughout the ages by those who weren't celibates or practiced celibacy for all the wrong reasons thus not being able to receive any celibacy benefits Reading such texts and looking at the lives of such people only serves to misguide and off put a would be celibate So usually a conclusion is arrived at that celibacy is a road to misery In truth it's a road to total freedom and bliss and you'll think this way too after reading the book

6 Not only most people practice celibacy for all the wrong reasons but they don't even know how to practice it As a result sexual impulses are not transformed into spiritual ones but suppressed instead This with time results in uncontrollable anger outbursts addictions perversions of all sorts or mental imbalances In the Sex Celibacy book you'll read about how to transmute the energy of sex to experience celibacy blessings such as higher intelligence and spiritual growth

7 Finally I felt it necessary to share my celibacy experiences because the female take on celibacy is almost non-existent Though somewhat distorted Vedic and Taoist sources still serve as a source of inspiration and information for men But many of such accounts are in no way helpful to women and as I mention in the book can even stop their spiritual progress since some of the teachings are clearly anti female So I consider it essential to share my celibacy experiences as a woman To follow the road of celibacy successfully as well as to gain spiritual blessings two essential rules must be met You must be ready to follow such a path most people aren't You must practice celibacy correctly most people don't This ebook explains in detail about how to meet both of these requirements Here's what Sex Celibacy ebook covers Celibacy benefits Celibacy dangers Things you must know before becoming celibate Who shouldn't practice celibacy How to practice celibacy correctly What is real celibacy and what isn't most people claiming to be celibates aren't Church misunderstanding of celibacy and a resulting disaster What takes place spiritually during the act of sex Lost information on conception exact days conception and delivery should occur for a developed soul to enter this dimension Immaculate conception Spirit possession during sex Astral body dangers for celibates Creative power of celibates and how not to misuse it Signs showing that you should become celibate What Jesus really says about celibacy What happens to the energy body during celibacy What happens to the energy body during sex Hidden teachings on celibacy and sex in books such as the Bible and A Course in Miracles How luciferian forces operate in the human body and why How luciferian forces penetrated the human body The real function of the astral body and astral realms Sex and attempt to escape from the background of pain What you should know about masturbation An easy yogic method to maintain celibacy My diary entries concerning sex and celibacy Conquering the serpent of lust Two alternative

roads for those who find celibacy too difficult Misunderstood unconditional love And so much more I sincerely believe that this ebook contains all you need to know about celibacy It explains what dangers you need to be aware of on this road what kind of blessings you ll experience if you follow this road correctly how to practice celibacy in the right way as well as who should practice celibacy and who isn t yet ready What s more not only will this ebook fully inform you about this unusual yet bliss filled lifestyle but it will also open your eyes to the true nature of sex [Body Intelligence Meditation](#) Ged Sumner,2014-07-21 An introduction to an innovative form of meditation through deep felt connection with body structure and physiology The book provides a series of exercises to attain felt sense awareness helping practitioners tune in to their physical body and reach the meditative states of bliss energy and trauma resolution *A Sense of Dance* Constance A.
