[Wrongful Death](#) Robert Dugoni, 2009-04-07 In this New York Times bestselling legal thriller a widow asks attorney David Sloane to take her case against the military and he can't turn her down even if it puts his own life and the lives of his family in dire jeopardy Just minutes after winning a 1.6 million wrongful death verdict attorney David Sloane confronts the one case that threatens to blemish his unbeaten record in the courtroom Beverly Ford wants Sloane to sue the United States government and military in the mysterious death of her husband James a national guardsman killed in Iraq While a decades old military doctrine might make Ford's case impossible to win Sloane a former soldier himself is compelled to find justice for

the widow and her four children in what is certain to become the biggest challenge of his career With little hard evidence to go on Sloane calls on his friend reclusive former CIA agent turned private investigator Charles Jenkins to track down the other men serving with Ford the night he died Alarminglly two of the four who returned home alive didn't stay that way for long and though the mission's wheelchairbound commander now works for a civilian contractor he refuses to talk The final and youngest soldier is also the most elusive but he's their only shot at discovering the truth if Sloane and Jenkins can keep him alive long enough to tell it Meanwhile Sloane isn't the only one on a manhunt As he propels his case into a federal courtroom those seeking to hide the truth threaten Sloane's family forcing his new wife Tina and stepson Jake into hiding where they become the targets of a relentless killer Now Sloane must race to uncover what really happened on that fatal mission not only to bring justice to a family wronged but to keep himself and the people closest to him from becoming the next casualties

Damage Control Robert Dugoni,2007-02-14 Dugoni centers a high speed murder mystery around infidelity and jealousy the plot twists keep the pages turning Kirkus Fast moving will surprise even seasoned thriller readers Publishers Weekly Attorney Dana Hill is used to managing a stressful life she's one of the most successful lawyers at Strong Thurmond mother to a young daughter wife to a busy self involved man But when she is diagnosed with breast cancer and her twin brother turns up beaten to death in an apparent robbery gone wrong in the same week the careful balance of Dana's life is sent into flux Agreeing with the police that this is more than just a simple botched burglary she begins to sift through the pieces of her brother's life a life she thought she knew as well as her own to find out who would want him dead and why But bad things happen in threes her mother has told her When Dana discovers her husband cheating she throws herself headlong into the investigation Delaying cancer treatment she teams with an intuitive detective to find the link between a one of a kind earring found in her brother's bedroom and a mysterious girlfriend no one seems to be able to identify But those connected to the murder are beginning to turn up dead the evidence trail is growing cold and someone is masquerading as a police officer cleaning up the details as they go along
