*Communication Yearbook 3* Dan Nimmo,1979-01-01      *Communication Yearbook 12* James A. Anderson,2012-03-22 In *Communication Yearbook 11* major contributions from leading scholars in a variety of communication fields are presented and then critiqued by other authorities often representing complementary or competing schools of thought Topics addressed and commented on include the mass media audience the theory of mediation effective policy for health care communication and feminist criticism of television      **Communication Yearbook 35** Taylor & Francis Group,2022-02 *Communication Yearbook 34* continues the tradition of publishing state of the discipline literature reviews and essays Editor Charles T Salmon presents a volume that is highly international and interdisciplinary in scope with authors and chapters representing the broad global interests of the International Communication Association The volume is organized into three sections pertaining to interdisciplinary theory normative ideals and political realities and communication and societies in transition Internationally renowned scholars serve as respondents for the three sections With a blend of chapters emphasizing timely public policy concerns and enduring theoretical questions this volume will be valuable to scholars throughout the discipline of communication studies      *Communication Yearbook 18* Brant R. Burlison,2012-03-22 *Communication Yearbook 18* originally published in 1995 focuses on cognitive approaches to the study of human communication examining topics such as the formation of interaction goals cognitive models of message production mindfulness and minlessness in message processing and attention to televised messages Sections two and three concentrate on the communicative management of health and environmental risks critical analyses of classical approaches to risk communication and the ways in which people are connected through diverse forms of communicative behavior including supportive relationships electronic mail systems and ideologies Commentaries in each section provide alternative perspectives on the state of research extend issues of significance and help engage the reader with contemporary debates      **Communication Yearbook 21** Michael Roloff,2012-03-22 *Communication Yearbook 21* reflects the rich diversity of the field of communication both in terms of content areas and methods The topics of the eleven reviews range from interpersonal influence to media practices and effects The authors address issues such as organizational democracy and change intercultural negotiation journalism and broadcasting practices the management off crisis and the relationship between media and the presidency The volume was originally published in 1998 In addressing these issues narratives historical accounts and meta analytic techniques are employed      *Communication Yearbook 33* Taylor & Francis Group,2022-02 The *Communication Yearbook* annuals publish diverse state of the discipline literature reviews across the field of communication Sponsored by the International Communication Association volumes offer insightful descriptions of research as well as reflections on the implications of those findings for other areas of the discipline Editor Christina S Beck presents a diverse international selection of articles that highlight empirical and theoretical intersections in the communication discipline      **Communication Yearbook**

William B. Gudykunst, 2000-10-11 Volume 24 in this series is devoted to addressing the current status of theory and research in each of the International Communication Association's divisions or interest groups. Chapters look at the parameters of the groups, the relationship of the group to other groups, the major theories used in the group, the research that supports these theories, the major lines of research in the group, and the major issues with which scholars in the group must cope in the next century. As a whole, *Communication Yearbook 24* provides a unique summary of the field of communication at the end of the 20th Century and the beginning of the new millennium.

*Communication Yearbook 11* James A. Anderson, 2011-10-25 First published in 2012. Routledge is an imprint of Taylor Francis, an informa company.

**Communication Yearbook** James A. Anderson, 1989-03-01 *Communication Yearbook* is a prestigious annual review of current research in communication published in cooperation with the International Communication Association. The current volume has four sections: Discourse and Relationships, Intercultural Relationships and Cultural Identity, Technology and Communication Systems, and Media Cultural Studies. Commentaries on each chapter give a well-rounded, balanced picture of the state of current research in these various areas of communication, providing an important reference for professionals and students in all parts of the discipline.

*Communication Yearbook 37* Elisia Cohen, 2013-05-29 *Communication Yearbook 37* continues the tradition of publishing state-of-the-discipline literature reviews and essays. Editor Elisia Cohen presents a volume that is highly international and interdisciplinary in scope, with authors and chapters representing the broad global interests of the International Communication Association. The contents include summaries of communication research programs that represent the most innovative work currently. Offering a blend of chapters emphasizing timely disciplinary concerns and enduring theoretical questions, this volume will be valuable to scholars throughout communication studies.

**Communication Yearbook 32** Beck Christina, 2008 The *Communication Yearbook* annuals publish diverse state-of-the-art literature reviews across the field of communication. Sponsored by the International Communication Association, volumes offer insightful descriptions of research as well as reflections on the implications of those findings for other areas of the discipline. Editor Christina S. Beck presents a diverse international selection of articles that highlight empirical and theoretical intersections in the communication discipline.

*Communication Yearbook 28* Pamela J. Kalbfleisch, 2004-06-18 Communities are composed of connected individuals. The communication that exists within, about, and between these communities is at the heart of *Communication Yearbook 28*. This book draws from the broad range encompassed by the communication discipline to review literature that has something to say about community and what the communication discipline has to contribute to understanding this human connection. Offering state-of-the-art research, *Communication Yearbook 28* presents an influence model addressing the most basic level of community: the personal relationship. The literature on romantic and parent-child relationships, at a distance, community in terms of those working at home and telecommuting, running home-based businesses, and participating in online communities, the communicative venue for

community building and fragmentation social capital and tolerance the literature on collaboration examining this communicative performance in community groups community as a foundation for the study of public relations theory and practice the visual images of community and what they suggest about these communities to those looking in from the outside the role new technology plays in maintaining community and community contexts This book is an important reference on current research for scholars and students in the social sciences      **Communication Yearbook 27** Taylor & Francis Group,2022-02 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company      **Communication Yearbook 31** Christina S. Beck,2007      **Communication Yearbook 14** James A.
