Difficult Decision:

Insights: How Expert Principals Make Difficult Decisions Dionne V. McLaughlin, 2015-03-09 Learn to make the best decisions for your school Essential to inspiring and improving schools principals make complex decisions on a daily basis This invaluable resource offers extensive case studies which explore factors considered by expert principals to manage crises navigate tough choices and gain control of unsettling school environments You will learn how priorities and school culture inform these decisions and acquire powerful insights on decision making best practices You will find Problem solving strategies and cases focusing on data analysis and competing stakeholders Easy to use checklists robust reflection questions and a framework to define your professional core values Tools to coach and evaluate teachers and bolster struggling students

Difficult Decisions Eric Pliner, 2022-03-29 What do you do when the algorithm doesn't have the answer Countless tools and frameworks claim to make decisions objective and bias free But in reality the defining decisions that leaders face are complex ones with subjective information sources and conflicting courses of action That's why the toughest choices are left to the leaders and that's why formulas won't answer them In *Difficult Decisions How Leaders Make the Right Call* with Insight Integrity and Empathy leadership expert and CEO of YSC Consulting Eric Pliner delivers a set of practical tools for readers to make sense of these complex subjective decisions quickly and with integrity It presents a path to understanding your own subjectivity and how your morals ethics and responsibilities affect how leaders make the most important decisions *Difficult Decisions* is ideal for executives managers and business leaders to examine their own intuition and navigate the most conflicted choices they make It's a challenging read and an indispensable resource to help readers develop self reflection clarify their values and ultimately make the choice that is most right to them

Difficult Decisions in Clinical Electrophysiology - A Case Based Approach, An Issue of Cardiac Electrophysiology Clinics Mark C. Haigney, Adam Strickberger, 2012-06-28 This issue consists of 17 case studies each involving a difficult decision that has to be made in the catheterization laboratory Reading about the cases and seeing the ECGs will help cardiac electrophysiologists sharpen their clinical skills The cases are also useful reading for those studying for board certification

Difficult Decisions in Endocrine Surgery Benjamin C. James, Raymon H. Grogan, Peter Angelos, 2026-01-01 Following a successful first edition in 2018 this book offers predominantly new chapters reflecting the advances made in the field This second edition keeps the recommendations based on newly published data Many new chapter authors are also on board making this book a comprehensive overview of difficult decisions encountered within endocrine surgery Brief uniformly formatted chapters are devoted to answering specific questions relevant to a range of topics across endocrine surgery based upon detailed analysis of available evidence *Difficult Decisions in Endocrine Surgery An Evidence Based Approach* features a wealth of information on ideal approaches for making clinical decisions in selected clinical situations It is an important and timely resource for all endocrine surgical trainees fellows practitioners educators and healthcare providers involved in the management of these

patients **Making Difficult Decisions** Peter J. A. Shaw, 2010-02-04 You are faced with so many difficult decisions Often your decision making seems random It can be swayed by different situations and emotions You need to be more rigorous in the way you make decisions and yet you have very little time to do so Experience from others who have made tough decisions and a framework to help you do so would be invaluable The courage to make decisions is sometimes a bit elusive It is difficult to find the calmness to be able to make and live with those decisions There is so much that can be learned from the experience of others After working through this book you will have the courage of your convictions and the ability to make difficult decisions count The book sets out a framework for making difficult decisions that has been tried and tested It has been used successfully in one to one coaching with senior leaders in both the public private and voluntary sectors The framework is built on the following strands Clarity Conviction Courage and Communication **Saunterings in Florence** Elvira Grifi, 1899 *In Defense of Liberty* William Wood, Ralph Henry Gabriel, 1928 *National and English Review* , 1918 *Historical Philosophy in France and French Belgium and Switzerland* Robert Flint, 1894 **The Connoisseur** , 1921 **American Federationist** , 1928 *The Boston Medical and Surgical Journal* , 1913 **Military Operations: Maps and appendices** Cecil Faber Aspinall-Oglander, 1929 **Records and Briefs New York State Appellate Division** , **Notes on Nursing** Florence Nightingale, 1924 **American Motorist** , 1915 **Reasonable Children** Michael S. Pritchard, 1996 The public outcry for a return to moral education in our schools has raised more dust than it s dispelled Building upon his provocative ideas in *On Becoming Responsible* Michael Pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community In such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions He makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their moral education *Lieggi V. United States Immigration and Naturalization Service* , 1975 **A Selection of Cases**

Illustrative of the Law of Contract Courtney Stanhope Kenny, 1922

The Last Four Months Sir Frederick Maurice, 1919
