An Introduction to English Literature (Classic Reprint) Henry S. Pancoast, 2015-07-11 Excerpt from *An Introduction to English Literature* Fifteen years ago Mr Henry Holt asked me to arrange a series of representative selections from English literature in chronological order and to connect them with such biographical and historical matter as might be found necessary for an understanding of them and of their relation to national and literary history The result of this request was a book *Representative English Literature* which appeared in 1892 In this book owing to the large proportion of space taken up by selections the historical sketch was necessarily very brief and a few years later at Mr Holt s suggestion I prepared a second book *An Introduction to English Literature* based on the first in which the selections were omitted and the historical outline revised and considerably expanded Two years later this second book enlarged by the addition of further biographical and other matter In the present book the subject is treated with still greater fulness but upon the same general plan About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
