An Introduction To Shakespeares Comedies:

An introduction to Shakespeare's comedies ,1985 *An Introduction to Shakespeare's Comedies* Patrick Swinden,1976-06-01 **The Cambridge Introduction to Shakespeare's Comedies** Penny Gay,2008-04-07 Why did theatre audiences laugh in Shakespeare s day Why do they still laugh now What did Shakespeare do with the conventions of comedy that he inherited so that his plays continue to amuse and move audiences What do his comedies have to say about love sex gender power family community and class What place have pain cruelty and even death in a comedy Why all those puns In a survey that travels from Shakespeare s earliest experiments in farce and courtly love stories to the great romantic comedies of his middle years and the mould breaking experiments of his last decade s work this book addresses these vital questions Organised thematically and covering all Shakespeare s comedies from the beginning to the end of his career it provides readers with a map of the playwright s comic styles showing how he built on comedic conventions as he further enriched the possibilities of the genre *Shakespeare's Comedies* Bart Van Es,2016 In this Very Short Introduction Bart Van Es analyses Shakespeare s comedic plays picking out the family resemblances across these works He considers their shared themes such as confusion and cross dressing misguided love twins and substitutions and explores the bard s verbal artistry and wit Introduction to Shakespeare's Comedies William Shakespeare,1900 Beyond a Common Joy Paul A. Olson,2008-01-01 Soul of the age Ben Jonson eulogized Shakespeare and in the next breath He was not of an age but for all time That he was both of the age and for all time is this book suggests the key to Shakespeare s comic genius In this engaging introduction to the First Folio comedies Paul A Olson gives a persuasive and thoroughly engrossing account of the playwright s comic transcendence showing how Shakespeare by taking on the great themes of his time elevated comedy from a mere mid level literary form to its own form of greatness on par with epic and tragedy Like the best tragic or epic writers Shakespeare in his comedies goes beyond private and domestic matters in order to draw on the whole of the commonwealth He examines how a ruler s or a court s community at the household and local levels shapes the politics of empire existing or nascent empires such as England the Holy Roman Empire Spain Venice and the Ottoman Empire or part empires such as Rome and Athens where all their suffering and silliness play into how they govern In Olson s work we also see how Shakespeare s appropriation of his age s ideas about classical myth and biblical scriptures bring to his comic action a sort of sacral profundity in keeping with notions of poetry as inspired and comic endings as more than merely happy but as in fact uncommonly joyful Introduction to Shakespeare's Comedies ,19?? *Shakespeare's comic theory* Thomas Allen Nelson,2019-03-18 No detailed description available for Shakespeare s comic theory **Comedies, Volume 1** William Shakespeare,1995-07-10 Shakespeare forged his tremendous art in the crucible of his comic imagination which throughout his life enveloped and contained his tragic one His early comedies with their baroque poetic exuberance intense theatricality explosive bursts of humor and superbly concrete realizations of the dialects of love capture as in a chrysalis all that he was to

become They provide a complete inventory of the mind of our greatest writer in the middle of his golden youth This volume contains The Comedy of Errors The Taming of the Shrew The Two Gentlemen of Verona Love s Labor s Lost A Midsummer Night s Dream and it s companion piece Romeo and Juliet which Tony Tanner describes in his introduction as a tragedy by less than one minute The texts authoritatively edited by Sylvan Barnet are supplemented with textual notes bibliographies a detailed chronology of Shakespeare s life and times and a substantial introduction in which Tanner discusses each play individually and in the context of Shakespeare s oeuvre *Books on Shakespeare ...* Queens Borough Public Library,1915
