Rockefeller,2015-11-20 Life is beautiful But then there will always be times when you lose track of it You divert from the path that you have planned to take You forget the right directions You become engulfed with all your day to day activities that you simply stop living And then one day you wake up only to discover that it is no longer the kind of life that you want You are no longer the kind of person that you dream to be You are no longer happy You are simply a lost soul wandering not knowing where to go When you find yourself in this situation it can all be too tempting to just put up your hands and surrender However you don t have to Instead you have to stop running and look within yourself because at the end of the day the solution to your problems all lies within yourself Not on other people and not on your environment In this short guide you will get to learn more about Zen what it is all about and how it will help you to find your way back to your life how to be mindful of everything around you and finally how to be happy Go ahead and start your journey to a life with more meaning *Manual of Zen Buddhism* D.T.
