An Unlikely Suspect:

An Unlikely Suspect Lisa Long Martelli,2004-11-01 In this intriguing tale of obsession greed and moral ineptitude there is just one common denominator Lauren Shaw On the surface she is a caring bright successful young executive But what demons lie in wait When the battered crumpled heap of her father s lifeless body is found Lauren is kneeling at his feet her hands bloodied and swollen her clothes disheveled and torn She had the opportunity and the most compelling motive revenge But does she possess the ability to inflict such misery Does that much hate reside in her soul From the picturesque landscape of Santa Catalina Island to the pounding surf of the Jersey Shore from the charming avenues of Haddonfield New Jersey to the bustling corridors of Philadelphia and the cosmopolitan ambiance of London this gripping richly woven and frighteningly plausible mystery has uncommon depth and originality taking readers on a thought provoking journey through the battlefields of depression the entanglements of romance and the complexities of the human condition An Unlikely Leader Dr Robert Barnes,2018-08-30 Despite several landmarks across the state bearing his name John Hunter the second governor of New South Wales remains somewhat of an enigma His solitary career driven life on land and at sea was tumultuous As a governor he had a tough time making his mark and taking charge and eventually failed Upon his return to England he went to great lengths to redeem his standing in society *Criminal Poisoning: Clinical and Forensic Perspectives* Christopher P. Holstege,Thomas Neer,Gregory B. Saathoff,R. Brent Furbee,2010-03-29 *Criminal Poisoning Clinical and Forensic Perspectives* offers health care providers investigators and attorneys a comprehensive look at the history employment and ex post facto analysis of criminal poisoning Drawing on the vast expertise of the authors law enforcement agents and physicians with robust experience in the realm of criminal poisoning *Criminal Poisoning Clinical and Forensic Perspectives* covers the illegal use of poisons to harm people and the methods of detection available to investigators and prosecutors Each chapter covers a specific toxin from acids and herbals to drugs of abuse and includes a case study that explains the diagnostic challenges associated with detecting and prosecuting a criminal poisoning What s more the book delves into who may poison including the psychological factors that motivate someone to kill and who may be a likely victim **Mrs Hudson and the Wild West** Barry S Brown,2022-02-15 When Buffalo Bill Cody s horse is stolen the star of the world s foremost wild west show travels to Baker Street to consult the star of the world s foremost consulting detective agency Like the many before him Colonel Cody takes Sherlock Holmes to be that star The true sage of 221B Baker Street who also serves as its landlady takes control of the situation and finds both the purloined animal and the two children who had taken the horse for a joy ride 1903 style When their father is murdered weeks later the children fear they will be blamed because of their quarrel with him They run away to join the wild west show leading Colonel Cody to make a return visit to Baker Street this time with the two children in tow and to enlist Holmes in the search for a murderer Mrs Hudson will of course once again take charge once again without acknowledgement of her contribution once again maintaining the fiction of Sherlock Holmes s leadership an

essential pretense in the male dominated world of Victorian England As Mrs Hudson and her colleagues work to discover the murderer they will find themselves having to counter an anti Indian bigotry that places at risk the marriage of friends of Mrs Hudson s from the wild west show and Mrs Hudson s very life With the help of her two young horse thieves now happily rehabilitated Mrs Hudson may yet find the way to a just and rewarding outcome **London's Shadows** Drew D.
