Analogous Proverbs In Ten Languages:

Analogous Proverbs in Ten Languages Mrs. E. B. Mawr,1885 **Analogous Proverbs** Mrs. E. B. Mawr,2015-07-20
Excerpt from *Analogous Proverbs In Ten Languages* My small and very imperfect collection of Analogous Proverbs in four languages issued in 1882 in which I sought to bring together under one heading the same expression of thought in different countries the veritable Folk Lore of the Peoples met with so cordial a welcome that I have ventured to extend and further develop my original work In no instance have I given a mere translation On the other hand in some few instances a proverb will be met with bearing a directly contrary sense to that expressed in English Roumania is particularly rich in folk lore and I owe my hearty thanks to those members of the Academy of Bucharest who have so kindly helped me in my task more especially are my acknowledgments due to a well known Philologist and Lexicographer for his valuable assistance I have thought it desirable to issue some interleaved copies of this book for the benefit of students and folk lore collectors In terminating this my labour of love I venture to say in the words of our great poet Chaucer Go little book God send thee good passage And specially let this be thy prayere Unto them all that thee will read or hear Where thou art wrong after their help to call Thee to correct in any part or all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **ANALOGOUS PROVERBS IN 10 LANGU** E. B. Mrs Mawr,2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
