Code Busters:

CodeBusters Patricia T. Aalseth,1998-12 With healthcare costs continuing to skyrocket despite the efforts of managed care and other containment programs third party payers are scrutinizing every line of every claim for services When questionable items are identified the next step is usually a request for copies of your patient's medical records in order to verify that services billed were actually provided As a physician whether in a large group or solo practice you must understand how the coding and billing process works and assure that all official guidelines are being followed by your staff This book is a quick reference to the basics of coding for physician services and provides checklists of questions for physicians and office staff Also included are suggested resources for additional assistance with coding and billing problems

Codebusters Coding Connection Patricia T. Aalseth,2004-11 Codebusters™ Coding Connection Second Edition provides critical information that physicians residents medical students and coders need for documentation to result in accurate and compliant coding Revised to reflect changes in current payment systems new national coding guidelines and evolving medical terminology this new edition includes these important updates The latest ICD 9 CM and CPT guidelines Explains how language and terminology will change when ICD 10 is implemented New coding categories for emerging diseases like SARS and West Nile virus New systems for outpatient coding HIPAA mandated standardized code sets New measures taken by OIG to ensure coding accuracy to combat fraud Expanded diagnosis and procedure sections With documentation rules and checklists for dozens of diagnosis and procedure categories this book makes an ideal training tool and assists compliance officers in demonstrating that their institutions are following OIG guidelines Its small size inviting format easy to read content and low price make it an invaluable resource for clinicians and coding billing staff in all settings Accurately code documents for dozens of diagnosis and procedure categories Maximize reimbursement payments by accurately coding documents Realize why being specific is essential to payable coding Understand the implications of the transition to ICD 10 CM Comply with important new coding guidelines

Codebusters Dan Metcalf,2017-07-13 Things are not going well for Jackson Jax Hibert He wanted to fit in at his new school but now everyone knows he's a maths whizz Even worse he's been asked to join a secret and totally uncool group of code breakers the Codebusters Their mission is to solve mysteries and fight crime So far they've found a missing hamster But now someone has stolen the school's math prize from the trophy cabinet and the only clue is a mysterious code This looks like a case for the Codebusters Funny exciting or a little bit spooky Black Cats are fast paced stories with short chapters and illustrations throughout stepping stones to reading confidence Book band Dark Blue Ideal for ages 9

ICD-9-CM Inpatient Coding Reference and Study Guide Ba Kobayashi,2010-07 If you need to have a strong understanding of how ICD 9 CM diagnosis and procedure codes are determined then you have chosen the right book ICD 9 CM Inpatient Coding Reference and Study Guide The author designed a book that goes beyond the fundamentals that gets into the details of ICD 9 CM diagnosis and procedure code assignment as

would be experienced on the job This user friendly reference teaches coders how to handle many coding situations while also being comprehensive enough to teach someone with a basic knowledge of medical coding how to move to the next level of advanced inpatient coding Updated every year to reflect the annual ICD 9 CM coding changes the text enables HIM professionals to master the concepts of medical coding while also gaining critical knowledge to pass the CCS exam administered by AHIMA and the CPC H exam from the AAPC The book also serves as an excellent desk reference and resource for coders who need to refresh their ICD 9 CM coding skills Among the topics covered in Volume 1 are inpatient coding guidelines coding conventions coding tables and a drug reference However the heart of this manual is the body system analysis based on chapters 1 17 of the Tabular list in Volume I of the ICD 9 CM Official Coding Guidelines The chapters are categorized by body system such as respiratory digestive et al The chapters in this study guide follow the same sequence as the Official Coding Guidelines All chapters in addition to highlighting basic coding guidelines contain situation based coding tips and coding examples A quiz follows each chapter reinforcing concepts in a rigorous manner that applies directly to the professional coding environment The book also contains a selective discussion of invasive procedures that the coder will most likely encounter on the job and on the exam At the end of ICD 9 CM Inpatient Coding Reference and Study Guide are 15 case studies providing the reader with an opportunity to assess their ICD 9 CM coding skill set and speed at coding inpatient medical records Each record contains a face sheet history physical progress notes and answer sheet Some of the case studies contain ER reports consultations as well as operative and pathology reports The answer key at the end of this study guide contains a rationale for all code assignments 456 short answer questions 116 multiple choice questions 15 full medical record case studies Each question is highly relevant and reflects a coding situation most hospital based inpatient coders will face The text strives to ensure the reader understands every diagnosis and procedure discussed thorough discussion of symptoms standard treatment protocols and medications Coding examples and quizzes help clarify the information presented Linda Kobayashi BA RHIT CCS has been a coder and coding manager for almost 20 years Since 1998 Ms Kobayashi has owned and operated Codebusters Inc a nationwide coding consulting company Widely regarded as a medical coding and auditing expert she has conducted workshops on a variety of coding topics including CCS Exam preparation workshops Throughout her career the author has remained professionally active as an AHIMA member as well as a member of her state association CHIA California health Information Association Her formal training includes a teaching credential from California State University Los Angeles a B A degree in English Literature from University of California Los Angeles an RHIT from AHIMA after completing the RHIT program at East Los Angeles College and a CCS certificate from AHIMA Extensive experience as a hands on coder auditor and educator and has given the author the expertise to help coders prepare for the professional coding environment Codes Nigel Nelson,1994 This colorful easy to read book explains how people can communicate without saying a word Beginning readers also discover how writing and reading are only two of
