

Fight Displacement!

Fight Displacement! is a trivia board game that responds to the Boston housing crisis by teaching Boston residents how to successfully navigate housing agencies, understand relevant legal rights, and draw from the history of Boston activism by way of need-to-know trivia and collective strategizing.

Players learn about how they can engage the Boston Planning and Development Agency, Zoning Board of Appeals, Office of Housing Stability, and Tenants' Legal Rights to fight against local housing displacement and influence development.

Game play includes the opportunity for collective brainstorms on how to apply the lessons of past activism to today's housing crisis.

Players leave the gameplay with a better understanding of how they can respond effectively to displacement and development.
