

A detailed illustration of a biblical scene. In the center, Jesus, with long brown hair and a beard, wearing a white robe with a brown sash, stands looking down at a man kneeling on the ground. The man is wearing a simple brown tunic. They are in a dusty town square with stone buildings. In the background, several other people in traditional robes are watching. The sky is bright with some clouds. The overall style is realistic and evocative of a religious painting.

## **Divine Healing Today:**

**Is Divine Healing For Today?** Leland McClanahan, 2013-05-31 Divine healing is a controversial subject with some people and some denominations. Many theologians disagree on this subject. There are so many sick in the world today. We cannot seem to build enough hospitals. Even with the latest technical advances and discoveries, there are still diseases, sicknesses, and malfunctions of the human body that people of science and medicine cannot understand nor prescribe a cure. Many of the sick people are in the church. Illness does not seem just to plague churchless people but the church going, including even Bible believers, seem to be just as ill as the people that have nothing to do with God and His church. The book is an outgrowth of a syllabus that the writer spent over seven months studying, categorizing, and outlining what the Bible itself has to say about healing. The history books were not consulted. The popular and non-popular books of famous people on healing were not sought. The writer does not have all the answers but he does have some good answers. The library of Sixty-six books has been used. This book is meant to be presented with biblical material from the stance of the middle of the road. Is there still any hope for the incurable and curable disease being remedied? Does the Christian believer that believes in the efficacy of the blood of Jesus, the virgin birth, the soon return of our Lord, and the resurrection of the dead have any hope for the wellness of his physical being? Has the God of miracles, the creator, the maker of the most wonderful machine ever made, the calmer of the winds and the waves, the sea walker, the healer, in sacred writ, ceased to do his historical deeds in this modern day? In 2 Kings chapter 2:14, Elisha, in seeking God's remedy, said, "Where is the Lord, God of Elijah?" The subsequent words will mainly present what the ancient book, the Bible, has to say about this subject. Is Divine Healing for Today. Let us come look together and spend some time examining what the Word says. Divine Healing R. A. Torrey, 2017-08-19. Reuben Archer Torrey's inspiring work on God's power to work miracles in our daily lives is presented here in large print that all readers may comprehend and appreciate its lessons. The question of God's presence in our everyday lives is one which frequently occurs in the minds of Christians. Does He still perform healing miracles upon the faithful on Earth? How does the Lord make himself known among us? Is His presence sometimes obvious or must we always look closer to see the subtle works of God around us? Although brief, this work of R. A. Torrey seeks to answer these questions definitively and wisely, and throughout the author carries a profound tone that few live to acquire. By the time this book was published in 1924, Torrey was already in his late sixties and lifetime of achievement as a writer, a preacher, and above all a Christian lay behind him. His rich educative wisdom was thus appreciated by many believers. Today many of Torrey's finest writings are again finding their way to Christians wishing for new perspectives upon matters of faith. Divine Healing which cites scripture to aid its explanations of the properties of healing miracles described in the Bible retains both its relevance and poignancy in the modern day. Understanding God's Divine Healing Cyrus W. Harris, 2011-08-30. In this age of skepticism, we are often told, "God doesn't work miracles today. Don't you believe it? God has not changed and He's healing more

today than yesterday Do you need a miracle Do you have a vision of yourself reaching out praying and seeing someone healed right before your eyes Understanding Gods Divine Healing accurately follows the Bible both in historical and theological treatment and shows that divine healing is for us today Divine Healing of Soul and Body Enoch Edwin Byrum,1893

**Divine Healing** R. A. Torrey,2017-10-10 I know of no book on the topic of Divine Healing that goes thoroughly into the subject and gives all sides of the truth in their scriptural proportions Some see only those passages that emphasize God s ability and readiness to heal our diseases and what He has done to make such healing possible today others are entirely occupied with those passages that make it clear that God sometimes does not heal or that God has different ways of working in different dispensations A book is greatly needed that considers with utter impartiality all that God has to say on this subject and that has but one aim to discover exactly what God teaches on this very important subject and all He teaches We have not gone into a consideration of such weird fantastic and to a careful Bible scholar ludicrously impossible and really blasphemous interpretations as that the bread in the Lord s Supper is for the healing of the body and the wine for the healing of the soul Time would fail us to chase to their lair and decapitate all the monstrous vagaries that have haunted the overwrought imaginations of persons who have become so occupied with the thought of Divine Healing that they fancied they saw it everywhere There is an especial need of a dependable book on Divine Healing at this particular time Everywhere there is a most extraordinary interest in the subject People are flocking by the thousands and tens of thousands in different cities to adventurers and adventuresses who oftentimes not only rob them of their gold but of that which is far more precious than gold And not a few evangelists who have lost out in legitimate soul winning work are putting to the front the matter of the healing of the body and are certainly drawing much larger crowds and receiving far larger pay than they ever did before There have been to my personal knowledge some very sad tragedies insanity death and shipwreck of faith arising from this pitiable business Unfortunate women who have been lured misled and robbed by plausible male adventurers of this sort have poured their bitter cry into my ears and I have seen impressionable men lured by women who have a personality that is attractive to a certain class of men into folly and uselessness Let us see just what God s Word says This book is entirely the result of a careful and thorough study of God s Word on this subject carried on for at least thirty seven years The clear teaching of Gods Word has been corroborated by thirty five years or more of experience in my own body and observation of the bodies of others I know God performs miracles of healing today R A T *One Hundred Divine Healing Facts* T. L. Osborn,1983 **6 Lies People Believe About Divine Healing** Steve Bremner,2013-02-12 Have you ever believed God had made you sick to teach you a lesson Do you believe God wants some to be sick but others to be well for a divine purpose known only to Himself Have you struggled with a healing in your body or spirit but it seemed as though God just doesn t want to answer your prayers for healing Do you believe you ve got a thorn in the flesh God is using to refine your character Spoiler Alert these are lies In this book Steve Bremner Scripturally and carefully answers these objections to healing along with

other misconceptions many Christians believe about the subject This book will help you destroy the traditions of man and lies of religion that nullify the power of God in your life What we believe about God and how He operates can have a dramatic impact on how we approach Him and what we expect of Him Many Christians believe lies about The Father that keep them bound and prevent healing in their bodies and in their lives In this easy to read book you ll learn some of the top lies holding Christians and unbelievers back from receiving their healing You too can receive healing and heal the sick Quit believing lies today God is not just able to heal He is willing
