**The Roffensian** Rochester Kent, King's sch, 1890

**Linguistics of American Sign Language** Clayton Valli, Ceil Lucas, 1992 The standard introduction on ASL structure now expanded with more information on linguistic fundamentals

Handbook of Heritage, Community, and Native American Languages in the United States Terrence G. Wiley, Joy Kreeft Peyton, Donna Christian, Sarah Catherine K. Moore, Na Liu, 2014-01-03 Co published by the Center for Applied Linguistics Timely and comprehensive this state of the art overview of major issues related to heritage community and Native American languages in the United States based on the work of noted authorities draws from a variety of perspectives the speakers use of the languages in the home community and wider society patterns of acquisition retention loss and revitalization of the languages and specific education efforts devoted to developing stronger connections with and proficiency in them Contributions on language use programs and instruction and policy focus on issues that are applicable to many heritage language contexts Offering a foundational perspective for serious students of heritage community and Native American languages as they are learned in the classroom transmitted across generations in families and used in communities the volume provides background on the history and current status of many languages in the linguistic mosaic of U S society and stresses the importance of drawing on these languages as societal community and individual resources while also noting their strategic importance within the context of globalization

Sociolinguistics in Deaf Communities Ceil Lucas, 1995 A valuable resource and a rare qualitative presentation Academic Library Book Review

High School Journalism Jim Streisel, 2016-04-14 High school journalists share the same objectives as professional reporters finding the story writing the story and packaging the story so that it appeals to an audience Understanding how to best accomplish these objectives is key to the student on the newspaper yearbook or Web site staff but the fundamental art of storytelling and story presentation are not always at the

center of high school journalism classes Student journalists must first understand that storytelling at its most basic level is about people and that understanding the audience is essential in deciding how to present the story This handbook for high school journalists and teachers offers practical tips for all elements of school journalism The author covers the essential components that students must understand information gathering writing standard and alternative coverage and packaging Students will find valuable information about identifying news interviewing research narrative writing style editing visual presentation and layout The book also covers the legal rights of student journalists objective vs opinion writing staff planning and organization and Web based journalism Each chapter includes study guides for practical applications of the concepts discussed Instructors considering this book for use in a course may request an examination copy here **Advisory circular** United States.
