Adolf Who:

The Palgrave Handbook of Masculinity and Political Culture in Europe Christopher Fletcher, Sean Brady, Rachel E. Moss, Lucy Riall, 2018-02-02 This handbook aims to challenge gender blindness in the historical study of high politics power authority and government by bringing together a group of scholars at the forefront of current historical research into the relationship between masculinity and political power Until very recently in historical terms formal political authority in Europe was normally and ideally held by adult males with female power being perceived as a recurrent aberration Yet paradoxically the study of the interactions between masculinity and political culture is still very much in its infancy This volume seeks to remedy this lacuna by considering the different consequences of the masculinity of power over two millennia of European history It examines how masculinity and political culture have interacted from ancient Rome and the early medieval Byzantine empire to twentieth century Germany and Italy It considers a broad variety of case studies from early medieval Iceland and late medieval France to Naples at the time of the French Revolution and Strasbourg after the Franco Prussian War with a particular focus on the development of political masculinities in Great Britain between the sixteenth century and the present day

Hitler at the Obersalzberg J.C. Boone, 2008-09-27 Hitler at the Obersalzberg is a comprehensive history of Hitlers activities at the mountain community from 1923-1945 The study begins with legends surrounding the area long before the arrival of Hitler and his cronies Attention is given to the physical setting the development of the Nazi community and the important conferences and meetings which took place there There is considerable discussion concerning everyday life and activities centered at the Berghof Hitlers mountain retreat A glimpse of the competition which developed between Hermann Goering and Martin Bormann became evident Interspersed throughout the narrative are interviews by the author with Paula Hitler Johann Langwieder and Hans Baur which provide interesting perceptions of the Fuehrer Adolf Hitler

Nelson, Hitler and Diana Richard D. Ryder, 2013-07-02 Clinical psychologist Richard Ryder approaches three iconic celebrities Horatio Nelson Adolph Hitler and Diana Princess of Wales as though they were his patients and presents a short psycho biography of each Beneath their obvious differences he finds striking similarities in their backgrounds and early experience especially being deprived of their mothers love In a short Epilogue the author asks what lessons might be learned for the future from these three famous figures of the past
