Blue Man Falling:

Blue Man Falling Frank Barnard,2010-03-04 For fans of Band of Brothers and Masters of the Air Blue Man Falling brings to life the exhilaration and fear of aerial warfare with astonishing power and narrative skill Above all Frank Barnard lays bare the meaning of war and the selflessness of those prepared to fight until the end In September 1939 war is declared and Europe holds its breath For RAF fighter pilots patrolling the Franco German border it is a bizarre time one moment they are chasing an elusive Luftwaffe the next ordering champagne in Paris Then in May 1940 Hitler launches Blitzkrieg and the Hurricane squadrons find themselves engulfed in battle Blue Man Falling follows the fortunes of two RAF pilots Englishman Kit Curtis and American Ossie Wolf who clash not only with Germans but also with each other fighting for different reasons and employing different methods as France collapses and the Allies face humiliation and defeat They also encounter the insidious Fifth Column the enemy within and those intent on profiting from chaos What readers are saying about Blue Man Falling Brilliantly conceived and superbly written There is humour and a fascination throughout Without doubt this is a must read book one that grips you from start to finish Captures the harrowing insidious shadow of despair that swept across France and the civilised world in the wake of Blitzkrieg Each character is drawn with touching intimate detail and it is the many finely portrayed action scenes that gives this novel a life of its own Takes you to another world effortlessly Pacy gripping and full of unexpected twists and turns

[Band of Eagles](#) Frank Barnard,2007-07-26 WWII As Malta falls under siege two fighter pilots are tested to the limit By turns brutal funny tragic and heroic Band of Eagles is a spellbinding read perfect for fans of Ken Follet and Robert Radcliffe A gripping fusion of thrills and historical plausibility a fine balance of freshness and authenticity Telegraph Summer 1941 The tiny island of Malta has become the most bombed place on earth The Germans and Italians want to destroy it For the fighter pilots of the RAF initially equipped with ageing Hurricanes and outnumbered in the air defeat seems almost certain Flight commanders Englishman Kit Curtis and American Ossie Wolf have survived the Fall of France and the Battle of Britain but Curtis remains idealistic and eager to prove himself Wolf by contrast is ruthless and thrives in the chaos of imminent invasion But as each man is pushed to dangerous boundaries they come to share a fresh understanding What readers are saying about Band of Eagles Beautiful writing Superbly crafted work A real treat I strongly recommend this book to anyone with a love of compelling war stories and good story telling Movingly told and backed up by impeccable research

A Time for Heroes Frank Barnard,2012-03-29 War makes heroes of men but at what price Sure to enthral fans of Masters of the Air and Fall of Giants A Time for Heroes is a magnificent sweeping three generation historical epic encompassing both World Wars about heroism the romance of aviation and the conflict between fathers and sons As the twentieth century dawns Guv Sutro against his father s will becomes a

pioneer of aviation a fighter ace on the Western Front during the Great War and a record breaker between the wars From his first flight in a primitive glider over the fields of Sussex helped by the dogged loyalty of his friend Stan Kemp he charts his ruthless course to fame and adulation But with the outbreak of World War Two the best of Old England begins to crumble Guv's son Tim is fighting a more covert war desperate to shed the burden of his father's reputation while Tim's childhood companion Will Kemp the son Guv felt he deserved is fighting heroically against overwhelming odds as a Spitfire pilot The fates of the men are bound together in the monumental ambitions and terrible tragedies of an age of heroes What readers are saying about *A Time for Heroes* A beautifully told epic of human love and error A truly great read Highly entertaining with great action scenes and moments of gut wrenching excitement A very human novel about people and strife and survival in extreme circumstances that have universal resonances Frank Barnard is without doubt the Wilbur Smith of the skies
