Course Introduction To Sociology:

First Contact Nancy A. Greenwood, Jay R. Howard, 2011-08-16 The Introduction to Sociology course is usually the first contact that students have with the discipline of sociology This course can determine whether students take other sociology courses or learn to use sociology in their lives as adults and citizens First Contact identifies important issues facing instructors in introducing students to the sociological imagination Drawing on the literature of teaching and learning in sociology and higher education more broadly First Contact provides an overview of the scholarship of teaching and learning best practices and other essential information to create a successful first course in sociology It walks the instructor through the course design process from learning about whom your students are determining appropriate course goals and learning objectives and using these ideas to design execute and assess your course It examines the core content of a first course It discusses how to design a syllabus select textbooks and readings as well as how to design and deliver effective lectures facilitate good discussions and other course delivery options An invaluable resource for anyone teaching the introductory sociology course including grad students new professors and seasoned instructors who seek renewal in their approach to teaching this critical course in the sociology curriculum **Introduction to Sociology 3e** Tonja R Conerly, Kathleen Holmes, Asha Lal Tamang, 2021 *Introduction to Sociology 3e* Tonja R. Conerly, Kathleen Holmes, Asha Lal Tamang, 2023-05-19 [Introduction to Sociology](#) Nathan Kierns, 2014 Introduction to Sociology adheres to the scope and sequence of a typical introductory sociology course In addition to comprehensive coverage of core concepts foundational scholars and emerging theories we have incorporated section reviews with engaging questions discussions that help students apply the sociological imagination and features that draw learners into the discipline in meaningful ways Although this text can be modified and reorganized to suit your needs the standard version is organized so that topics are introduced conceptually with relevant everyday experiences BC Campus website **Introduction to Sociology 2e** Heather Griffiths, Nathan Keirns, Eric Strayer, Gail Scaramuzzo, 2015-04-02 Introduction to Sociology 2e adheres to the scope and sequence of a typical one semester introductory sociology course It offers comprehensive coverage of core concepts foundational scholars and emerging theories which are supported by a wealth of engaging learning materials The textbook presents detailed section reviews with rich questions discussions that help students apply their knowledge and features that draw learners into the discipline in meaningful ways The second edition retains the book's conceptual organization aligning to most courses and has been significantly updated to reflect the latest research and provide examples most relevant to today's students In order to help instructors transition to the revised version the 2e changes are described within the preface Faculty Contributors Heather Griffiths Fayetteville State University Nathan Keirns Zane State College Eric Strayer Hartnell College Susan Cody Ryzewski Georgia Perimeter College Gail Scaramuzzo Lackawanna College Tommy Sadler Union University Sally Vyain Ivy Tech Community College Jeff Bry Minnesota State Community and Technical College at Moorhead

Faye Jones Mississippi Gulf Coast Community College individuals who were contributors to the 2nd edition *Introduction to Sociology 3e* Openstax, 2022-11-21 *Introduction to Sociology 3e* aligns to the topics and objectives of many introductory sociology courses. It is arranged in a manner that provides foundational sociological theories and contexts then progresses through various aspects of human and societal interactions. The new edition is focused on driving meaningful and memorable learning experiences related to critical thinking about society and culture. The text includes comprehensive coverage of core concepts, discussions, and data relevant to a diverse audience and features that draw learners into the discipline in powerful and personal ways. Overall, *Introduction to Sociology 3e* aims to center the course and discipline as crucial elements for understanding relationships, society, and civic engagement. The authors seek to lay the foundation for students to apply what they learn throughout their lives and careers. The authors, reviewers, and the entire team worked to build understanding of the causes and impacts of discrimination and prejudice. *Introduction to Sociology 3e* contains dozens of examples of discrimination and its outcomes regarding social science, society, institutions, and individuals. The text seeks to strike a balance between confronting the damaging aspects of our culture and history and celebrating those who have driven change and overcome challenges. The core discussion of these topics are present in Chapter 11 on Race and Ethnicity and Chapter 12 on Gender, Sex, and Sexuality, but their causes and effects are extensively discussed in the context of other topics including education, law, enforcement, government, healthcare, the economy, and so on. Together and when connected by an instructor, these elements have potential for deep and lasting effects.

Introduction to Sociology Mark Plume, 2015-12-31 Based on over twenty years of classroom experience, *Revealing Our Social World: An Introduction to Sociology* is written with the teaching sociologist in mind. Humorous, accessible, and informal, the book introduces non-major students to the basic theories, concepts, and terms of sociology. *Revealing Our Social World: A Brief Introduction to Sociology* is organized into four sections, the first of which discusses the basics of the sociological perspective and imagination along with the development of sociology as a discipline. In the second section, the material examines how people fit into their social landscapes. This section features topics such as culture, socialization, groups, social institutions, and deviance. The third section addresses various forms of inequality, while the fourth examines the structure of the daily grind as it applies to marriage and family, religion, education, politics, and the economy. Each chapter lays out the basic elements of the topic using vivid, cross-cultural examples and includes suggested readings, practical activities, and a section titled "There's an App for That." *Revealing Our Social World: A Brief Introduction to Sociology* is a fresh and engaging text for introductory sociology courses at the undergraduate level. Mark Plume earned his Ph.D. in sociology at the University of Southern California. Dr. Plume has been teaching sociology for more than twenty years and is currently a professor at Reynolds Community College, where he teaches traditional and online courses in introductory sociology, marriage and family, and cultural and physical anthropology. Dr. Plume also teaches sex and gender and research methods at Virginia Commonwealth University. His research interests include alcoholic families, gender

and social class His most recent work examines millennials and their belief in the afterlife He is a member of the American Sociological Association and the Gerontological Society of America Dr Plume his wife and their miniature schnauzer make their home in central Virginia

Introduction to Sociology George Ritzer,2015-08-28 Join the conversation with one of sociology s best known thinkers The Third Edition of Introduction to Sociology thoroughly revised and updated continues to show students the relevance of the introductory sociology course to their lives While providing a rock solid foundation George Ritzer illuminates traditional sociological concepts and theories as well as some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonalidization of society As technology flattens the globe students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today

Course Introduction To Sociology Introduction

In today's digital age, the availability of Course Introduction To Sociology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Course Introduction To Sociology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Course Introduction To Sociology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Course Introduction To Sociology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Course Introduction To Sociology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Course Introduction To Sociology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Course Introduction To Sociology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making

them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Course Introduction To Sociology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Course Introduction To Sociology books and manuals for download and embark on your journey of knowledge?

FAQs About Course Introduction To Sociology Books

1. Where can I buy Course Introduction To Sociology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
