Cover Band Classics:

Play it Again: Cover Songs in Popular Music Professor George Plasketes, 2013-01-28 Covering the musical practice of one artist recording or performing another composer's song has always been an attribute of popular music. In 2009 the internet database Second Hand Songs estimated that there are 40,000 songs with at least one cover version. Some of the more common variations of this appropriationist method of musical quotation include traditional forms such as patriotic anthems, religious hymns such as Amazing Grace, Muzak's instrumental interpretations, Christmas classics and children's songs. Novelty and comedy collections from parodists such as Weird Al Yankovic also align in the cover category, as does the larcenous art of sampling and technological variations in dance remixes and mash ups. Film and television soundtracks and advertisers increasingly rely on versions of familiar pop tunes to assist in marketing their narratives and products. The cover phenomenon in popular culture may be viewed as a postmodern manifestation in music as artists revisit, reinterpret, and re-examine a significant cross-section of musical styles, periods, genres, individual records, and other artists and their catalogues of works. The cover complex, with its multiple variations, issues, contexts, and re-contextualizations, comprises an important and rich popular culture text. These re-recordings represent artifacts which embody artistic, social, cultural, historical, commercial, biographical, and novel meanings. Through homage, allusion, apprenticeship, and parody among other modes, these diverse musical quotations express, preserve, and distribute popular culture, popular music, and their intersecting historical narratives. *Play it Again* represents the first collection of critical perspectives on the many facets of cover songs in popular music.

Cover Band Classics Hal Leonard Corporation, 2000-04 Includes note-for-note transcriptions of 20 classics essential for getting a gig off the ground: Crazy Little Thing Called Love, Every Breath You Take, Gloria, Jailhouse Rock, Mustang Sally, Oh Pretty Woman, Pride and Joy, Start Me Up, Takin' Care of Business, Ticket to Ride, Wonderful Tonight, You Really Got Me, and more.

A Philosophy of Cover Songs P.D. Magnus, 2022-04-28 Cover songs are a familiar feature of contemporary popular music. Musicians describe their own performances as covers, and audiences use the category to organize their listening and appreciation. However, until now, philosophers have not had much to say about them. In *A Philosophy of Cover Songs*, P.D. Magnus demonstrates that philosophy provides a valuable toolbox for thinking about covers. In turn, the philosophy of cover songs illustrates some general points about philosophical method. Lucidly written, the book is divided into three parts: how to think about covers, appreciating covers, and the metaphysics of covers and songs. Along the way, it explores a range of issues raised by covers, from the question of what precisely constitutes a cover to the history and taxonomy of the category, the various relationships that hold between songs, performances, and tracks, and the appreciation and evaluation of covers. This unique and engaging book will be of interest to those working in philosophy of art, philosophy of music, popular music studies, music history, and musicology, as well as to readers with a general interest in popular music covers and how we think about them.

Grateful Dead and the Art of Rock Improvisation David Malvinni, 2013-02-28 More than fifteen years

since the death of lead guitarist and singer Jerry Garcia the Grateful Dead stand as a symbol of the unresolved cultural clashes of the 1960s The band s thirty year odyssey is a testament to the American imagination with thousands of live concert recordings by fans and the band itself preserved alongside an impressive array of images artwork and paraphernalia Most recently the Grateful Dead have released from their vault their entire 1972 European tour one of the largest boxed sets of live music seventy three compact discs ever released This publicly available archive of recorded music lays the groundwork for David Malvinni s exploration of the band s musical signature as the ultimate jam band in *Grateful Dead and the Art of Rock Improvisation* Malvinni considers a select group of songs from the Dead s early repertoire from its unique covers of Viola Lee Blues *Midnight Hour* and *Love Light* to original masterpieces like *Dark Star* *Marrying* basic music analysis to philosophical frames offered by improvisatory musings of Heidegger Derrida and Deleuze Malvinni presents the core aesthetic underlying the Dead s musical styling In tracing the evolution of the band s unique jam style Malvinni outlines the Dead s gift as gatherers and inventors of old and new soundscapes in their multifaceted improvisations Like no other band the Dead brought together a variety of styles from roots and folk to country and modal jazz to postmodern European art music Devoted Deadheads reveled in the band s polyglot risk filled approach to playing live and the joint band audience quest to reach a type of sonic cosmic ecstasy commonly described as the X factor Although fans and scholars alike recognize the Grateful Dead as icons of psychedelic music the band s improvisatory approach still remains an enigma to the uninitiated In *Grateful Dead and the Art of Rock Improvisation* Malvinni unravels this mystery walking readers through the band s musical decision making process Written for rock music fans with little to no background in music theory as well as scholars and students of popular music culture the book reveals the method behind the seeming chaos of America s greatest jam band
