

It's like having the script to
your next job interview in advance!

THE COMPLETE Q&A JOB INTERVIEW BOOK

A job interview is nothing more than a screen test. Getting hired depends almost completely on the "actor factor." Train yourself to know your lines, perfect your delivery, and dress for the part, and you'll get a job offer. Don't and you won't. Now Jeff Allen, America's leading placement attorney and author of the best selling *How to Turn an Interview into a Job*, shows you how to generate offer after offer by using simple "programmed" interview techniques that you can easily learn.

In *The Complete Q&A Job Interview Book*, Allen gives you your own personalized interview script in advance to prepare you for anything that might be asked. He includes ten separate interview areas and introduces each with a failsafe delivery format. Then he concludes with a chapter that carefully explains how you can "close" the interview with properly timed questions to ask the interviewer. The result is a customized system that can be used in an enjoyable, disciplined way to *get hired!*

JEFFREY G. ALLEN, J.D., C.P.C., has extensive experience as a certified placement counselor, personnel manager, and professional negotiator. He is also the author of *Finding the Right Job at Midlife*, *The Placement Strategy Handbook*, *Surviving Corporate Downsizing*, and other popular books in the employment field.

Here's what the experts are saying about this book . . .

"The ultimate job interview book! A systematic, foolproof way to generate job offers. No jobseeker should be without it."

—Marcy R. Swerdlin
Publisher, *National Job Market*

"Allen's Q&A interview approach eliminates the fear of the unknown, replaces it with the confidence of knowing what to expect, and trains the applicant to get job offers."

—Kimberly A. Hellyar
Director, Training Consultants International

"The programmed system works because it is a simple, practical, proven way to interview properly. Use it to win the interview and win the job!"
