War Dept,1914 *Counterattack on the Naktong, 1950* William Glenn Robertson,1985 This Leavenworth Paper examines both the theory and practice of U S Army counterattack doctrine at the outbreak of the Korean War Through an analysis of the Army s manuals in effect in 1950 it establishes the importance of counterattack in defensive operations and identifies the general principles to be observed in mounting successful counterattacks The paper then employs a case study to determine the application of counterattack doctrine in the field and to test the validity of that doctrine The case study chosen for examination is the First Battle of the Naktong Bulge 6 19 August 1950 a part of the defense of the Pusan Perimeter In this battle the North Korean 4th Infantry Division crossed the Naktong River and penetrated deeply into the sector held by the U S 24th Infantry Division Depleted by peacetime budget cuts and recent heavy combat the 24th Infantry Division counterattacked to regain its original defensive positions along the river When the division proved incapable of restoring its front alone elements of two additional Army divisions and the 1st Provisional Marine Brigade joined the counterattack force Thus augmented the 24th Infantry Division ultimately repulsed the North Koreans and reestablished its original front During the two week period covered by this study the 24th Infantry Division and its attached units attempted at least sixty one counterattacks of company size or larger Analysis of these operations shows that the U S Army s counterattack doctrine was generally sound but that significant elements of that doctrine were not followed by the 24th Infantry Division during the battle This failure to implement valid doctrinal concepts appears both to have delayed the ultimate victory and increased its cost Although the study is rich in other lessons as well its findings regarding counterattack doctrine remain its central theme Attacking Soccer Peter Schreiner,Norbert Elgert,2013 Soccer fans around the world adore the offensive style of play based on fast passing combinations spectacular dribblings and the art of beautifully shot goals The question regarding this style of game is how to coach your team to embrace fast attacking soccer How do you shape your training to cover all the technical and tactical basics Peter *Field Service Regulations, United States Army, ...* ,1914 Field Service Regulations, United States Army General Staff Corps,1914 Field Service Regulations, United States Army, 1914 United States.
