## **Baseball's First Stars:**

Baseball's First Stars Frederick Ivor-Campbell, Robert L. Tiemann, Mark Rucker, 1996 The previous volume of this series entitled Nineteenth century stars was published in 1989 It included the greatest players of the 1800s who had not yet been recognized by induction into the Baseball Hall of Fame This new volume includes the Hall of Famers along with over a hundred other players and figures from baseball s largely forgotten but endlessly fascinating years before 1900 *The League That Lasted* Neil W. Macdonald, 2004-05-18 In the early 1870s baseball was chaos mired in mismanagement and corruption William Hulbert the owner of Chicago s National Association team believed that a league run efficiently with honest competition would survive and flourish Hulbert relying on his pragmatic philosophy of molasses now vinegar later and working with his prize recruit Albert Spalding founded the National League in 1876 That inaugural season of the National League is chronicled in this heavily documented work The league fell far short of Hulbert s dreams in its first season but he stuck to his belief that integrity would win out in the end He not only prohibited Sunday baseball and the sale and consumption of alcohol within the league s ballparks but ousted two teams New York and Philadelphia from the league because they failed to meet their obligation to finish out the season Despite the setbacks scandals and considerable opposition all of which are thoroughly covered here the National League survived its first year The National Association

of Base Ball Players, 1857-1870 Marshall D. Wright, 2000-04-01 Before the onset of professional baseball there existed a myriad of teams and players going back to the 1840s The early years centered around an organization known as the National Association of Base Ball Players This group the antecedents of which date to 1857 governed the world of baseball until the formation of the first all professional league in 1871 This book is the definitive statistical reference to that organization from its humble beginnings through its explosive growth after the Civil War culminating with its coast to coast inclusion of several hundred amateur and professional clubs Relying for the most part on primary sources the author has included introductory essays for each year complete team statistics every game score and individual batting and pitching statistics for all players

*Major League Baseball in Gilded Age Connecticut* David Arcidiacono, 2009-11-25 It s been more than a century since Connecticut had big league baseball but in the 1870s Middletown Hartford and New Haven fielded professional teams that competed at the highest level By the end of the decade when the state s final big league team Mark Twain s beloved Hartford Dark Blues left the National League baseball s transition from amateur pastime to major league sport had been accomplished And Connecticut had played a significant role in its development The history of the Nutmeg State s three major league teams is described here in full and the author thoughtfully examines their influence within the regional baseball scene A Fine-Looking Lot of Ball-Tossers Richard L. McBane, 2015-01-24 The Akron club s accumulation of talented ballplayers and its success against the best opposition of the time set it apart from the general development of 19th century baseball Like many of the independent baseball teams that proliferated in the 1870s and 1880s it was formed as a joint stock company by

prominent citizens and businessmen Its talent led it to be raided out of existence Of the 20 men who played with the Akrons during 1881 14 played major league ball in subsequent seasons Most prominent were Hall of Famer Bid McPhee and Tony Mullane This work traces the development and play of the team from its formation in 1879 through its great 1881 season and on Biographical profiles of the players with personal and professional details are interspersed throughout Appendices include the 1881 calendar of scores and 40 box scores and compiled statistics for the 1881 season as well as the box score of the Akrons victory over the Chicagos of Cap Anson in 1880

**Baseball in Washington**, Frank Ceresi, Mark Rucker, Carol McMains, 2002 Dubbed America s Game by Walt Whitman baseball has been enjoyed in our nation s capital by everyone from young boys playing street stickball to Presidents throwing out the inaugural first pitch of the season Just 13 years after Alexander Cartwright codified baseball s rules the Washington Nationals Baseball Club formed and in 1867 toured the country spreading the baseball gospel By 1901 the team became one of the first eight major league teams in the newly formed American League Players such as Walter Johnson probably the greatest pitcher of all time and other Senators under the stewardship of owner Clark Griffith successfully led the club in 1924 to what many consider to be the most exciting World Series in baseball history Later the Homestead Grays played at Griffith Stadium and fielded a team featuring legendary Negro League greats such as Josh Gibson and Buck Leonard The powerhouse Grays during a ten year span won nine Negro League World Championships a record that may never be equaled in any team sport again When the Grays disbanded the original Senators left for Minnesota in 1960 and the expansion Senators of the 1960s relocated the city was left without a professional baseball team While many feared that baseball in D C was over a spirit remained on the diamond and is still felt today as children and adults team up in one way or another to play the national pastime in the nation s capital Hopes for a new professional team linger and those remembering baseball s heyday will enjoy this extensive and unusual collection of historic photos that celebrate a time when the crowds roared and Washingtonians believed that the summer game would never end
