Charlies Apprentice:

Charlie's Apprentice Brian Freemantle,2011-08-23 The end of the Cold War could put British spy Charlie Muffin out of work Secrets hide within secrets Superior work from a master of the form Publishers Weekly Charlie Muffin shouldn't be condemned for mourning the end of the Cold War For decades the KGB provided him with endless professional success and now that it's gone Charlie is nearly out of a job Removed from active duty he is now training new recruits on operations in a post Soviet era It's dull work that leaves Charlie yearning for the adventures of old and this time he'll get more than he bargained for One of Charlie's first pupils is arrested within days of arriving in Beijing to extract a blown British agent Now Charlie must go to China and get both of them out Meanwhile someone is searching for Charlie Natalia Fedova a former lover who surfaces with a new job high up in Russian intelligence and a daughter she says is his This ebook features an illustrated biography of Brian Freemantle including rare photos from the author's personal collection *Charlie's*

Apprentice Brian Freemantle,1994 **Charlie Muffin U.S.A.** Brian Freemantle,2011-08-23 Charlie Muffin's new job puts him in the crosshairs of a vicious American drug lord Charlie Muffin has done well since he died He's been on the run for years from the intelligence forces of Great Britain and the United States when an official declaration of death finally puts an end to their pursuit Suddenly Charlie can breathe again He's even put a lid on his single malt whisky habit Now all he needs is a job He puts his espionage skills to work for an English insurance company ensuring the security of the Romanov stamps A priceless collection assembled in the years before the Russian Revolution the stamps survived only because the Bolsheviks failed to recognize their value Now the American government means to use them as bait for a brutal drug lord He wants the stamps and Charlie must stop him from getting them even if it means getting killed a second time This ebook features an illustrated biography of Brian Freemantle including rare photos from the author's personal collection **See Charlie Run**

Brian Freemantle,2011-08-23 If Brian Freemantle isn't the best writer of spy novels around he's certainly along with John le Carr in the top two The Philadelphia Inquirer Charlie Muffin was once the toughest agent in British intelligence He wasn't strong fast or charming but he knew how to survive When his agency branded him a traitor he eluded their pursuit for years After eventually proving his innocence he's invited back into The Firm But only just Consigned to a monotonous desk job it takes months for Charlie to get a real assignment A KGB agent in Tokyo wants to defect to the other side Charlie's role is to bring him across But as Charlie has learned from all those evasive years there's never anything simple or safe about running away This ebook features an illustrated biography of Brian Freemantle including rare photos from the author's personal collection **The Charlie Muffin Thrillers Volume One** Brian Freemantle,2017-11-28 If Brian Freemantle isn't the best writer of spy novels around he's certainly along with John le Carr in the top two The Philadelphia Inquirer Charlie Muffin isn't your typical British spy He's neither high cultured nor well mannered He doesn't care about being smooth pretty or popular he only cares about getting the job done Charlie M After twenty five years serving the Crown in the shadows of the Cold War

Charlie finds himself under fire from a new breed of superiors who believe his lack of proper breeding makes him a liability in the spy game against the Soviets But Charlie s going to show them that you don t survive as long as he has without knowing how to turn the tables on your enemy Here Comes Charlie M On the run Charlie has slowly devolved into what his former masters once accused him of being His formerly razor edged instincts have been dulled by indolence drink and the monotonous tension of living in the dark Believing the heat must have cooled by now he returns to England only to discover how very wrong he was and how much more dangerous life has just become The Inscrutable Charlie Muffin Charlie has been keeping his head down with the help of his only friend and ally Rupert Willoughby But Rupert s own fortunes turn sour when an ocean liner he invested in burns and sinks in the Hong Kong harbor Desperate he turns to Charlie to find out what really happened Charlie can hardly refuse but he ll wish he had *The Charlie Muffin Thrillers Volume Two* Brian Freemantle,2018-10-16 The un Bond like British spy is back from a multimillion selling author who hauls you aboard and won t let you off until the roller coaster stops Los Angeles Times If Brian Freemantle isn t the best writer of spy novels around he s certainly along with John le Carr in the top two The Philadelphia Inquirer In his long running Charlie Muffin series Freemantle gives us an atypical British spy Charlie is neither high cultured nor well mannered He s working class scruffy and fond of a drink But he gets the job done Charlie Muffin U S A Officially declared dead Charlie can breathe again without the intelligence forces of Great Britain and the United States hunting him He puts his espionage skills to work for an English insurance company ensuring the security of the Romanov stamps a priceless collection assembled before the Russian Revolution When the American government decides to use them as bait for a vicious drug lord Charlie gets stuck in the middle But he s not licked yet Fine lightweight caper entertainment Kirkus Reviews Madrigal for Charlie Muffin Since British intelligence first turned on him and forced him to go into hiding the ex spy has had a rough few years He takes a job for his only friend Rupert Willoughby who sends Charlie to Rome to check the security system for some valuable jewels But Charlie has chosen the wrong time to visit the Eternal City There s a mole in the British embassy there and with agents of the East and West homing in fast he s soon caught between a rock and a hard place The most degenerate and lovable character ever cast in the role of secret agent Manchester Evening News The Blind Run In this Edgar Award finalist after a trumped up trial Charlie lands in jail for treason But when KGB agents stage a prison break to free his fellow inmate a convicted British traitor Charlie also flees to Moscow There he meets Natalia Fedova the KGB interrogator assigned to determine if his defection is genuine For anyone else the risk would be suicidal But for Charlie the greatest danger may be falling in love Unpretentious sly rather than stately but powerful nonetheless the best of the Muffin novels thus far Kirkus Reviews See Charlie Run Back at work for British intelligence Charlie finally has a real assignment A KGB agent in Tokyo wants to defect to the other side Charlie s role is to bring him across But as he himself has learned from all those evasive years there s never anything simple or safe about running away Freemantle has merged the good humor of a Lawrence Sanders thriller the seriousness of a le Carr
