Cornbread And Caviar:

Cornbread and Caviar Bob Jones,1985 The memories of some men are valuable to all of us The varied experiences of their lives and their contact with great people and events instruct and enrich us and when thoughtfully considered give us wisdom for the future One such man is Bob Jones chancellor of Bob Jones University In *Cornbread and Caviar* he reviews his life discussing both its simple and its unusual aspects the cornbread and the caviar and presenting them in a most informative and entertaining manner *Cornbread & Caviar* Empress Lablaque,2011 Randi Ranes an unwed mother who lives in the project and slings hash in a greasy spoon has an even bigger problem than being dirt poor and having a sick child Her mother is a drug user and her strong addiction has indebted Randi to unsavory characters Spider wants his money and he s given Randi a clear ultimatum Whose life is worth more her mother s or Randi s sick little boy s Can Randi salvage both Randi is under pressure and falling apart At her wits end she agrees to sell her body at an illegal auction Although Randi dresses the part she knows better Handsome millionaire Hilton Maxwell heads this illegal venture He could purchase Randi for a smidgen of her asking price but he doesn t dabble in street trash Nevertheless Randi does have a certain appeal

Selling the Old-time Religion Douglas Carl Abrams,2001 The relationship between Protestant fundamentalists and mass culture is often considered complex and ambiguous *Selling the Old Time Religion* examines this relationship and shows how the first generation of fundamentalists embraced the modern business and entertainment techniques of marketing advertising drama film radio and publishing to spread the gospel Selectively and with more sophistication than has been accorded to them fundamentalists adapted to the consumer society and popular culture with the accompanying values of materialism and immediate gratification despite the seeming conflict between these values and certain tenets of their religious beliefs *Selling the Old Time Religion* is written by a fundamentalist who is based at the country s foremost fundamentalist institute of higher education It is a candid and remarkable piece of scholarship that reveals from the inside the movement s first encounters with some of the media methods it now wields with well documented virtuosity Carl Abrams draws extensively on sermons popular journals and educational archives to reveal the attitudes and actions of the fundamental leadership and the laity Abrams discusses how fundamentalists outlook toward contemporary trends and events shifted from aloofness to engagement as they moved inward from the margins of American culture and began to weigh in on the day s issues from jazz to flappers in large numbers Fundamentalists in the 1920s and 1930s were willing to compromise certain traditions that defined the movement such as premillennialism holiness and defense of the faith Abrams concludes but their flexibility with forms of consumption and pleasure strengthened their evangelistic emphasis perhaps the movement s core Contrary to the myth of fundamentalism s demise after the Scopes Trial the movement s uses of mass culture help explain their success in the decades following it In the end fundamentalists imitated mass culture not to be like the world but to evangelize it Yellowstone: The Official Dutton Ranch Family Cookbook Gabriel "Gator" Guilbeau,2023-09-12
