Doorways to Discipleship Winkie Pratney, 1975 Suggests ways in which young people can incorporate their Christian faith into daily life

Basic Discipleship Robert Campbell, 2014-06-04 Basic Discipleship The Doorway To Membership Student Edition is our basic discipleship track that opens the door to involvement in ministry at Harvest International Family Church As you go through this discipleship course you will be well grounded in the faith and learn why it is important to be connected and involved in the life of the local church We pray you will walk through the door This course is based upon a 15 point Statement of Faith from our church For each statement there are corresponding bible studies As you search through these Scriptures the Holy Spirit will place in your heart an unshakable foundation For there can be no other foundation laid other than that which is already in place Jesus Christ I Corinthians 3 11 Purpose of this course 1 To systematically instruct us in major truths concerning life in the local church Luke 1 4 that you may know the certainty of those things in which you were instructed NKJ 2 To provide instruction of the Word of God so that spiritual growth will be maintained in every believer 2 Tim 2 15 Be diligent to present yourself approved to God a worker who does not need to be ashamed rightly dividing the word of truth NKJ 3 To teach Biblical truths concerning the Church and the Kingdom so that we all may speak the same thing 1 Pet 3 15 But sanctify the Lord God in your hearts and always be ready to give a defense to everyone who asks you a reason for the hope that is in you with meekness and fear NKJ 1 Cor 1 10 Now I plead with you brethren by the name of our Lord Jesus Christ that you all speak the same thing and that there be no divisions among you but that you be perfectly joined together in the same mind and in the same judgment NKJ 4 These teachings will help establish a functioning membership 5 These teachings will protect the Body from wandering ministries that come into the Body and try to function too quickly without being proven or tried 6 These teachings will be foundational for all leaders in our local church all functioning members worship team Life group leaders etc 7 These teachings will help our local church flow in unity and harmony 8 These teachings will help our local church to know where each member is spiritually salvation water baptism filled with the spirit etc 9 These teachings will enable our local church to know what it believes on most major Church doctrines such as Hell Heaven Sin Church Government Tongues etc

Contagious Disciple Making David Watson, Paul Watson, 2014-12-23 It is hard to deny that today's world can seem apathetic toward Christians Some may look down at their iPhones when we mention God motion for the check when we bring up church or casually change the subject when we talk about prayer In a world full of people whose indifference is greater than their desire to know Christ how can we dream of growing the church In Contagious Disciple Making David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world A companion to Cityteam's two previous books Miraculous Movements and The Father Glorified Contagious Disciple Making details the method used by Cityteam disciple makers This distinctive process focuses on equipping spiritual leaders in communities where churches are planted Unlike many

evangelism and church growth products that focus on quick results contagious disciple making takes time to cultivate spiritual leadership resulting in lasting disciple making movements Through Contagious Disciple Making readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church Features include Engagement tools for use in the field Practical techniques to equip others to make disciples

Identity Brian Byrne,2019-08-16 In the beginning they were called disciples and the early believers knew what the word meant Disciples were those who trusted the Lord knew His voice followed Him wherever He led them and were obedient to everything He told them to do Then a Roman government official in Antioch invented a new name He called the disciples in this church Christianoi Christian and the identity of disciples slowly began to disappear Today only one the term Christian is widely used in churches round the world But even this name has been interpreted in as many ways as there are church denominations In his book Dr Brian has examined each of the six names for disciples that the scriptures use sinner saint child of God Christian disciple bond slave He treats each of the six names not merely as useful information but as teachings that can profoundly influence the lives of those who long to be the Lord s disciples In his final chapters Dr Brian takes a careful look at what the cross means for disciples He presents a number of valuable biblical principles that both inform and

challenge those who long to follow the Lord as His disciples in the twenty first century
