Double Devotion:

Double Devotion Shar Mason,2005-07-11 Double Devotion is the story of one woman s incredible courage and devotion to a man who may be lost to her forever It has been many years since career woman CJ McAllister s husband has even acknowledged her existence But still she hopes and copes clinging to the dream that he will come back to her open arms and they can continue the idyllic life they once had But does Fate have other plans CJ s devotion is put to the test when hypnotically handsome Tom Dellarico walks into her life and decides she is the one woman he cannot live without Tom has the power and magnetism to change her life Now CJ must come to terms with the hand destiny has dealt her One man she cannot stop loving and the other she finds herself loving more every day Can double devotion have a happy ending CJ is swept up in her heart s struggle to find out You will be too

The Purchase of the Past Tom Stammers,2020-06-25

Offering a broad and vivid survey of the culture of collecting from the French Revolution to the Belle poque *The Purchase of the Past* explores how material things became a central means of accessing and imagining the past in nineteenth century France By subverting the monarchical establishment the French Revolution not only heralded the dawn of the museum age it also threw an unprecedented quantity of artworks into commercial circulation allowing private individuals to pose as custodians and saviours of the endangered cultural inheritance Through their common itineraries erudition and sociability an early generation of scavengers established their own form of private patrimony independent from state control Over a century of Parisian history Tom Stammers explores collectors investments not just financial but also emotional and imaginative in historical artefacts as well as their uncomfortable relationship with public institutions In so doing he argues that private collections were a critical site for salvaging and interpreting the past in a post revolutionary society accelerating but also complicating the development of a shared national heritage
