Double View:

Publishers' circular and booksellers' record, 1869 **Radclyffe Hall** Richard Dellamora, 2011-05-31 The Well of Loneliness is probably the most famous lesbian novel ever written and certainly the most widely read It contains no explicit sex scenes yet in 1928 the year in which the novel was published it was deemed obscene in a British court of law for its defense of sexual inversion and was forbidden for sale or import into England Its author Radclyffe Hall was already well known as a writer and West End celebrity but the fame and notoriety of that one book has all but eclipsed a literary output of some half dozen other novels and several volumes of poetry In Radclyffe Hall A Life in the Writing Richard Dellamora offers the first full look at the entire range of Hall s published and unpublished works of fiction poetry and autobiography and reads through them to demonstrate how she continually played with the details of her own life to help fashion her own identity as well as to bring into existence a public lesbian culture Along the way Dellamora revises many of the truisms about Hall that had their origins in the memoirs of her long term partner Una Troubridge and that have found an afterlife in the writings of Hall s biographers In detailing Hall s explorations of the self Dellamora is the first seriously to consider their contexts in Freudian psychoanalysis as understood in England in the 1920s As important he uncovers Hall s involvement with other modes of speculative psychology including Spiritualism Theosophy and an eclectic brand of Christian and Buddhist mysticism Dellamora s Hall is a woman of complex accommodations able to reconcile her marriage to Troubridge with her passionate affairs with other women and her experimental approach to gender and sexuality with her conservative politics and Catholicism She is above all a thinker continually inventive about the connections between selfhood and desire a figure who has much to contribute to our own efforts to understand transgendered and transsexual existence today *Bookseller*, 1867

Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **The Ship and Related Symbols in the New Testament** Earle Hilgert, 2020-05-18 **Artificial Intelligence Applications and Innovations** Ilias Maglogiannis, Lazaros Iliadis, John Macintyre, Paulo Cortez, 2022-06-16 This book constitutes the refereed proceedings of five International Workshops held as parallel events of the 18th IFIP WG 12.5 International Conference on Artificial Intelligence Applications and Innovations AIAI 2022 virtually and in Hersonissos Crete Greece in June 2022 the 11th Mining Humanistic Data Workshop MHDW 2022 the 7th 5G Putting Intelligence to the Network Edge Workshop 5G PINE 2022 the 1st workshop on AI in Energy Building and Micro Grids AIBMG 2022 the 1st Workshop Special Session on Machine Learning and Big Data in Health Care ML HC 2022 and the 2nd Workshop on Artificial Intelligence in Biomedical Engineering and Informatics AIBEI 2022 The 35 full papers presented at these workshops were carefully reviewed and selected from 74 submissions *Systematic Theology, Volume 2, Second Edition* James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced

judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **Streams in the Desert** James Horne Morrison,1919 **Spain** John Lomas,1925 **Dun's International Review**,1927 **'Since at least Plato ...' and Other Postmodernist Myths** M. Devaney,1997-08-04 Since at Least Plato and Other Postmodernist Myths surveys the fields of theories of postmodernism and criticizes some of the most common claims found in them about philosophy science and the relationship and literary techniques to metaphysics epistemology and political ideologies Devaney finds the accounts offered by these theories of concepts ranging from the law of noncontradiction to relativity and the Uncertainty Principle to be as ill informed as they are pervasive Devaney shows how the use to which these accounts have been put in constructing the story of the progression from realism to postmodernism to modernism flattens out both the history of ideas and the history of literature A Fight with Distances John James Aubertin,1888 *Congreve, the Drama, and the Printed Word* Julie Stone Peters,1990 In the late seventeenth century theater and print began the history of their tense relations and imperfect alliance Plays of course had been printed in England for more than a century However it was not until the printing of fine editions of English playwrights by Tonson and others that it became common for dramatists to worry over the details of both performance and print and to supervise closely the publication of their own works The theater was joining itself to the page defining itself against the printed word The author's focus is the most active phase of the career of William Congreve a crucial juncture in the history of print and publishing the two decades before the 1710 Copyright Act when the book trade was becoming a large intricate and lucrative commercial business Congreve's work in the theater began to yield to his work with the book trade not only as playwright

but also as poet scholar translator and editor culminating in the three volume edition of his Works in 1710 *It is Never to
Late to Mend* Charles Reade,1902 Macmillan's Magazine David Masson,George Grove,John Morley,Mowbray Walter
Morris,1892 **Don Orsino** Crawford,1892 **Types of Ethical Theory** James Martineau,1898 The Complete Works
of F. Marion Crawford Francis Marion Crawford,1891 *The Night of the Gods* John O'Neill,1893 The Expositor Samuel
Cox,Sir William Robertson Nicoll,James Moffatt,1885 **The Numerical Bible** Frederick W. Grant,1897

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Double View** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
