Purchase *Doubt The Traitor* today and discover a world where every choice could be your last. **Discovering Yourself** Orison Swett Marden, 2020-04-03 It is important to thoughtfully choose our careers, but for many reasons, many of us take a job because it is the first decent offer that comes along. Over time, we are content to move up in salary rather than personal satisfaction. We have no choice as we have bills to pay and a family to support. But Orison Swett Marden says that we must not settle. We have a personal obligation to find our own happiness and success. In fact, the world demands that we experience fulfillment for ourselves, as our happiness also affects those around us. In this book, *Discovering Yourself*, Marden goes through the preparation and pursuit of fulfillment and includes the life stories of successful men and women as told by themselves. Chapters include: *The Victorious Attitude*, *According to Thy Faith*, *Doubt the Traitor*, *Making Dreams Come True*, *Making Yourself a Prosperity Magnet*, *Where Your Supply Is*, *You Are Headed Toward Your Ideal*, *Education Under Difficulties*, *Misfit Occupations*, *This One Thing I Do*, *Enthusiasm*, *Doing Everything To A Finish*, *The Help Yourself Society*, *How to Find Oneself*, *Life Stories of Successful Men and Women Told By Themselves*. To be a conqueror in appearance, in one's bearing, is the first step toward success. It inspires confidence in others as well as in oneself. Walk, talk, and act as though you were a somebody, and you are more likely to become such. Move about among others as though you believe you are a person of importance. Let victory speak from your face and express itself in your manner. Carry yourself like one who is conscious of having a splendid mission, a grand aim in life. Radiate a hopeful, expectant, cheerful atmosphere. In other words, be a good advertisement of the winner you are trying to be. *The Victorious Attitude* Orison Swett Marden, 1916 *Traitor* David Rothkopf, 2024-03-26 Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy, compelling financial

Times Political historian and commentator David Rothkopf shows how Trump will be judged by history Spoiler alert not well in Traitor Donald Trump is unfit in almost every respect for the high office he holds But what distinguishes him from every other bad leader the U S has had is that he has repeatedly egregiously betrayed his country Regardless of how Senate Republicans have let him off the hook the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous He has clearly broken faith with the people of the country he was chosen to lead starting long before he took office then throughout his time in the White House And we may not yet have seen the last of his crimes But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history is the president of the United States the greatest threat this country faces in the world We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective After his examination of traitors including Benedict Arnold Aaron Burr and leaders of the Confederacy David Rothkopf concludes that Donald Trump and his many abettors have committed the highest level greatest most damaging betrayal in the history of the country *The traitor's gait, and other stories* George Manville Fenn,1906
