Double Homicide:

Deception and Death Gail Sorenson, 2016-02-29 In *Deception and Death* Detective Jack Ireland investigates the brutal murders of two brothers Peter and Matthew Grayson While digging for clues and leads in solving this high profile double homicide he must thwart off promiscuous advances from his prime suspect Waiting in the wings is journalist Laurie Bergstrom She has unraveled a cover up of devastating proportions Once again Jack will be forced to confront his haunting memories of Kirsti s death One thing is certain Jack Irelands life will be permanently altered by the sequence of events in *Deception and Death* *People of the State of Illinois V. Roberts* ,2003 [The Double Homicide](#) Damon Laurent Agobe,2003 *The Double Homicide* offers an autobiographical work in which the author seeks to relay a journal of memories of unexplained events and deaths related to sorcery practices in and around his home village Bossou in the Ivory Coast He opens with an introduction of the disguised crimes in which the victims do not see their assailants as opposed to the open crime where the criminal uses a weapon He asserts that God made some of his power available to human to be utilized positively and creatively for the good of all It was not meant to be used negatively and deviously by associating it with evil spirits and transforming it into sorcery and witchcraft and using it to kill and destroy others properties and blessings like it is today He sites bibliographical references from the book of Genesis to back his idea that evil that we are victims of or the practice of sorcery that we are experiencing today is not new it all evolved when mankind fell into sin after being induced into it by the devil taking advantage of man s naivete then corrupting the world henseforth But there is hope and I am optimistic that in the name of Jesus the world will get back its mormacy He continues and explains how a driver named Goubou was thwarted in his marriage plans with the chief s daughter by unseen forces and mistaken events The story unfolds and shows how Kolongou one of the chief s sons was sacrificed and sent to go hunting with Goubou Kolongou was prepared mystically to be transformed into a deer once in the bush and be killed such as using a small fish to catch a trout In the *Double Homicide* the author s tale reveals that death no matter where and how it occurs is ever perceived naturally as the end of life cycle His descriptions of rituals ceremonies and ideologies central to West African Culture are designed to augment the scope and tone of this chronicle
