## **Doves Nest:**

*The Dove's Nest and Other Stories* Katherine Mansfield, 2022-03-09 *The Doves Nest and Other Stories* is a 1923 collection of short stories by the writer Katherine Mansfield published by her husband John Middleton Murry after her death. Murry wrote in his introductory note that this volume contains all the complete stories and several fragments of stories which she wrote at the same time as or after those published in *The Garden Party and Other Stories*

**Fifty Common Birds of Oklahoma and the Southern Great Plains** George Miksch Sutton, 1981-01-01 This book aims at informing readers in a painless way about fifty species of common birds of Oklahoma and the Southern Great Plains. Says Dr. George Miksch Sutton, noted ornithologist, writer, and bird painter: "A full page color plate of a Sutton painting of each bird faces the page of text about that bird. The text itself does not describe the shape and color of the birds in great detail; the color plates do that but accents the seasonal status of each species in Oklahoma, changes in plumage as the individual bird matures, important food habits, and breeding habits especially of the species that breed in the area. Not all the birds discussed breed in Oklahoma or inhabit the state the year round. A few are found here only during migration or in winter, but these species are common in much of the state. A treasure of entertainment and information, the book is written not for bird students or ornithologists but for the general reader who appreciates the beauty of our common birds and wants to know more about them."

**Katherine Mansfield's Fiction** Patrick D. Morrow, 1993 This book attempts to analyze a major part of Mansfield's fiction, concentrating on an analysis of the various textures, themes, and issues plus the point of view virtuosity that she accomplished in her short lifetime. 34 years. Many of her most famous works such as *Prelude* and *Bliss* are explicated along with many of her less famous and unfinished stories.
