Beyond Me:

Beyond Me Melinda Doolittle, 2010 Through poignant often humorous stories you will discover the secrets to Melinda's success finding practical help to overcome your own obstacles to achieve the next level in any area of life Because she was tone deaf as a child Doolittle's choir director would plead with her to just move her mouth and not let any sound come out Undaunted her love of singing drove her to enter a contest in the 7th grade and miraculously she won Melinda began to realize that success in life was something bigger than her or as she puts it It's beyond me She began setting and systematically reaching her goals such as singing background vocals for her many of her favorite music artists Then by an amazing turn of events she burst onto the music scene with her flawless vocal performances on American Idol becoming the clear favorite of the show's most difficult judge Simon Cowell *Beyond Me* also provides you a rare behind the scenes glimpse of one of America's biggest pop culture phenomenon American Idol and how she turned that stress filled environment into a springboard from which she could soar

Beyond Me Annie Donwerth-Chikamatsu, 2020-06-30 In the spirit of *A Place to Belong* this remarkable novel in verse examines the aftershocks of the earthquake and tsunami that devastated Japan in 2011 through the eyes of a young girl who learns that even the smallest kindness can make a difference March 11 2011 An earthquake shakes Japan to its core A tsunami crashes into Japan's coast Everything changes In the aftermath of the natural disasters that have struck her country eleven year old Maya is luckier than many Her family didn't lose their home their lives or each other But Maya still can't help feeling paralyzed with terror and each aftershock that ripples out in the days that follow makes her fear all over again that her luck could change in an instant As word of the devastation elsewhere grows increasingly grim tens of thousands have perished it all seems so huge so irreparable Already flinching at every rumble from the earth Maya's overcome with a sense of helplessness and hopelessness How can her country ever recover and how could anything she does possibly make a difference Before Maya can extend a hand to others she must dig deep to find the hidden well of strength in herself in this sweeping searing novel that shows even small acts can add something greater and help people and communities heal
