Constructing Masculinity:

Constructing Masculinity Maurice Berger, Brian Wallis, Simon Watson, 2012-09-10 This anthology takes us beyond the status of masculinity itself questioning society's and the media's normative concepts of the masculine and considering the extent to which men and women can transcend these stereotypes and prescriptions *Constructing Masculinity* Ryan Lorimer, 2009 *The Boy Code* Robert C. Tift, 2004 **Messages Men Hear** Ian M. Harris, 2004-08-02 Why do men behave the way they do The science of gender studies is less than 25 years old and it is only recently that scholars and popular authors interested in gender have started to examine the issues associated with masculinity This text is based on over 10 years research and constructs a comprehensive theory of masculinity by exploring in great detail how men form their gender identities and how those identities influence their behaviour The book examines the influence of 24 male messages or gender norms such as be like your father faithful husband superman and nurturer that represent cultural expectations for masculinity in western societies Drawing on a diverse sample of over 500 men from different classes backgrounds races and ethnic groups the author describes how men learn these messages how individual men respond to them and how their influence changes over the course of a man's life This accessible text presents a general framework for masculinity and breaks new ground in understanding the construction of male gender identity *Global Masculinities and Manhood* Ronald L. Jackson, Murali Balaji, 2011-12-01 Bringing together an array of interdisciplinary voices *Global Masculinities and Manhood* examines the concept of masculinity from the perspectives of cultures around the world In the era of globalization masculinity continues to be studied in a Western centric context Contributors to this volume however deconstruct the history and politics of masculinities within the contexts of the cultures from which they have been developed examining what makes a man who he is within his own culture Highlighting manifestations of masculinity in countries including Jamaica Turkey Peru Kenya Australia and China scholars from a variety of disciplines grapple with the complex politics of identity and the question of how gender is interpreted and practiced through discourse Topics include how masculinity is affected by war and conflict defined in relation to race ethnicity and sexuality and expressed in cultural activities such as sports or the cinema Contributors are Bryant Keith Alexander Molefi K. Asante Murali Balaji Maurice Hall Ronald L. Jackson II Shino Konishi Nil Mutluer Mich Nyawalo Kathleen Glenister Roberts Margarita Saona and Kath Woodward *Just Boys Doing Business?* Tim Newburn, Elizabeth A. Stanko, 2013-11-05 What is it about crime that makes it men's work Can we imagine masculinity without crime This is the first book of its kind to bring contributors from three continents together to examine the relationship between masculinity and crime Covering such areas as policing prisons violence against women homicide white collar crime and male victimisation this book will force us to rethink many aspects of masculinity and crime **Fatherhood in Late Modernity** Mechthild Oechsle, Ursula Müller, Sabine Hess, 2012-08-09 Changes in Fatherhood How do structural changes in the welfare state in gender relations and work affect concepts and realities of fatherhood The authors analyse

cultural images and representations of fatherhood varieties of fatherhood in relation to social backgrounds organisational influences as well as the impact of political and legal interventions on configurations of fatherhood With an interdisciplinary approach this book's contributions investigate the sometimes contradictory relationship between cultural representations and social practices of fatherhood They contextualise diverse fatherhoods in various social backgrounds ethnicities ages and different national contexts Reflecting methodological challenges is crucial to the volume's approach Which parameters are used to quantify change Which links and interactions between cultural individual organizational and societal dimensions do exist regarding the development of new social configurations of fatherhood How can the complex interaction between structural constraints and agency be analysed Can certain agents of change be identified How can social change be conceptualized This volume links to international comparative research and shows how fruitful it can be to break disciplinary boundaries
